Auditor's Notice of Pendency of Petition.

State of Minnesota, County of Anoka, ss.—
Whereas the petition of E. L. Gilbert and others, bearing date the 31st day of March, 1910, a true copy of which follows below, praying for the establishment of a public ditch along the route proposed therein, has been filed in my office; now therefore, notice is hereby given of the pendency of said petition and that the same will be heard and considered by and before the Board of County Commissioners at their special session to be held at the auditor's office in the city of Anoka in said county on the 3rd day of May, 1910, at 10:30 o'clock a. m.

ARTHUR A. CAWELL,
Auditor of Anoka County, Minn.

To the Board of County Commissioners of the County of Anoka, State of Minnesota:

The undersigned land owners, whose lands will be liable to be affected by or assessed for the expense of the construction of the ditch hereinafter described, would respectfully represent that the public health, convenience and welfare require the establishment and construction of a public ditch along the following described route in the town of Blaine in said county of Anoka; that the construction of the same would be of public benefit and utility and is necessary for the following reasons, to-wit: to drain large areas of land now flooded and useless and render the same usable and valuable; to drain off stagnant waters thereon which constitute menace to the public health.

A general description of the proposed starting point, route and terminus of said ditch is as follows: Commencing at or about the quarter stake on the east line of section 14 and thence southwesterly through said section 14 and southerly through section 23 and thence southeasterly through sections 26 and 25 until it reaches Golden Lake, and there terminating, all in said town of Blaine, Anoka County, Minn., township 31 of range 23, and also all branches that may be necessary and terminating in said Golden Lake as its outlet.

And your petitioners pray that you will proceed to establish such ditch and cause the same to be constructed as provided by chapter 290 of the general laws of Minnesota for 1905 and the laws amendatory thereof and supplementary thereto.

Dated March 31st, 1910.

E. L. TRASK,
