

SUPPLEMENTAL REPORT

TO DITCH. #53.

14th day
of June 1871
Arthur H. Arnold
County Auditor

SUPPLEMENTAL REPORT TO DITCH #53.

TO THE HON. BOARD OF COUNTY COMMISSIONERS.

Gentlemen:-

Your engineer finds from station #110, to the end of Main Ditch. There has been excavated 11,222, cubic yards, which your engineer estimates as worth \$.15 per cubic yard, amounting to \$1683.30.

This work was done by private parties and paid for and comes in the main line of Ditch #53 as surveyed by me and is therefore a part of the ditch constructed.

Yours truly,

James Corr
