In the Matter of the Petition of E.L. Gilbert and Others for a Public Ditch in the County of Anoka, State of Minnesota, known as Ditch No.53 of said Anoka County:-

To the Board of County Commissioners of the County of Anoka, State of Minnesota:-

The undersigned viewers and engineer, duly appointed and qualified as such in the above entitled matter, and to whom the report of the viewers and engineer herein was duly resubmitted by your Honorable Board, with your directions forthwith and summarily to consider the same and make such changes in relation to the amount of the benefits or damages or both, respectively awarded, as shall appear to us to be just, reasonable and necessary, and required by the evidence received in this matter, do hereby respectfully report that we have in all things complied with said order and directions, and have made the changes required therein, and that we have attached hereto and marked "Exhibit 1 of viewers report in Ditch Proceedings, etc, Amended Report," the statement in extenso of such changes; that in such statement the assessments of benefits and damages upon the respective tracts of lands therein described, and described in our original report, stand in lieu and in place of such assessments in said original report, whether the same be raised or lowered, and in such statement, the assessment of benefits and damages upon the respective tracts of lands therein described, and not described or included in our original report, stand as additional assessments and are to be added to such original report; that save as changed herein, or in said "Amended Report, Exhibit 1," we do hereby incorporate herein each, all and every the findings, assessments and reports, contained and found in such original report;

That at the completion of our work as aforesaid, we did sum up the total estimated benefits of the construction of said public ditch and branches, and find and hereby report the same to be the sum of \$32415.12, and that we did sum up the total estimated cost and expense of the construction of said ditch and branches, and find, and hereby report, the same to be the sum of \$28619.22, including the damages awarded therefor. We further report that the said proposed ditch and branches will be of public utility; and that the construction of the same is practicable for the following reasons: to drain large areas of land now flooded and useless, and render the same usable and valuable, to drain off stagnant waters

hereon which now constitute a menace to the public health.

Respectfully submitted,
