Dear Mr. McMullen:

I have the order by the County Board in connection with Ditch #54, where in the next to the last paragraph you say "pay the sum of \$ to the County of Anoka for publication and filing fees incurred by said order in this matter.

The publication fees, that I know, but the filing fees I would say would be the filing in the office of the Register of Deeds of the order by the County Board. Please correct me if I am off on that one. I have looked at this order and it would appear that the proper thing would be to file it in the office of the Register of Deeds, but if this is not necessary, I can complete your copy very easily.

Please let me know if I am right or wrong.

Very truly yours,

Kenneth W. Campbell
County Auditor
