Notice of Pendency of Petition, Ditch No. 56.

Notice is hereby given that a petition, of which the following is a copy, has been filed in the office of the county auditor of Anoka County, State of Minnesota, and that a hearing will be had upon said petition before the Board of County Commissioners at the office of the county auditor of said county, on the 7th day of October, 1915, at 10:30 o'clock a. m.

ARTHUR A. CASWELL,
Auditor of Anoka Co., Minn.

PETITION FOR PUBLIC DITCH.

To the County Board of the County of Anoka, State of Minnesota:

The undersigned land owners, whose lands will be liable to be affected by, or assessed for, the expense of the construction of the public ditch and branches hereinafter described, respectfully represent that the public health, convenience and welfare require the construction and establishment of a public ditch and branches along the following described route in the Town of Bethel, in said County of Anoka, and that the establishment and construction of the same will be of public benefit and utility and will promote the public health, and is necessary for the following reasons, among others, to-wit: The territory to be drained by the proposed public ditch and branches consists of a large basin or area of low meadow, marsh and bog land, having put lined outlets for surface waters and which is overflowed and covered with stagnant waters to a considerable extent during a large portion of the time and is too wet, soft and cold to be of use during other times, rendering it to a large extent valueless for any purpose in its present condition; the soil thereof is of great fertility, and when drained will be of great value for agricultural purposes; the stagnant waters, which from time to time accumulate and stand upon said lands, emit noisome odors and exhalations, and furnish a breeding place for great numbers of mosquitoes and other pests, and constitute a menace to the health of the inhabitants of the vicinity and to the public generally, which menace will be removed by the drainage to be obtained through the establishment of the proposed public ditch and branches. A general description of the proposed starting point, route and terminus of said ditch is as follows: Commencing at the point where the public highway crosses the north line of the south half of the southeast quarter (N line of S 1/2 of SE 1/4) of Section Fifteen, Township Thirty-three, Range Twenty-three, County of Anoka, running thence in a southeasterly direction through Sections Fifteen, Fourteen, Twenty-three and Twenty-six, all in Township Thirty-three, Range Twenty-three, of said County, to a point where the east line of Section Twenty-six meets the shore of Coon Lake, and there terminating and having as its outlet said Coon Lake, together with such branches, extensions and laterals as may be necessary properly to drain said lands.

And your petitioners pray that you will proceed to establish such ditch and cause the same to be constructed as provided by Chapter Forty-four General Statutes of Minnesota for the year 1913, together with all acts amendatory thereof and supplemental thereto.

Dated this 19th day of July, 1915.

In the Matter of the Petition

of Gust Im Dahl and Others

for a public ditch in the County of Anoka

State of Minnesota.

State of Minnesota, }
County of Anoka } ss.

Guthervas, a petition bearing date the 19th day of July 1905, signed by Gust Im Dahl and others

praying for the establishment of a certain public ditch in said County, the route of which is more fully described in said petition, and a proper bond accompanying the same, have been filed with the County Auditor of said County, as by law required;

And Guthervas, It appears, by satisfactory proof to the Board of County Commissioners of Anoka County, that due notice of the pendency of said petition, and the time and place at which the same would be heard, has been given as required by law;

Now, Therefore, We, the Board of County Commissioners of said County, at a

..... special session held this day, do hereby appoint Byrne I. Riggs as a competent and experienced engineer to make

an accurate survey of the line of said ditch from its source to its outlet, as provided and specified in and by Chapter 230 of the General Laws of 1905, and after completing his duties as such engineer to make and file his report with the County Auditor of said County, on or before the 15th day of December 1905.

Dated October 7th, 1905

By the Board,

W. H. Bradley
Chairman Board County Commissioners

Of Anoka County.
