

Board of County Commissioners
Anoka County
Anoka, Minnesota

In the matter of the Petition to
Clean and Repair County Ditch #57.

Now comes the undersigned, one of the Petitioners for the cleaning and repairing of County Ditch #57 in Anoka County, Minnesota, and very respectfully asks this honorable Board to proceed to let a contract for the doing of said cleaning and repairing as by law required.

An engineer appointed by the Board having heretofore found that said drainage ditch was in need of cleaning and repair and your honorable Board having found, as a fact, that said ditch was in need of cleaning and repair, it is now requested that pursuant to law the Board forthwith proceed to let a contract for the doing of said work.

Dated this 3rd day of September, 1946.
