Dear Sir:

I am at this time required to serve official notice by mail regarding a hearing to be held in the matter of cleaning and repairing a certain ditch. This notice must be mailed to all property owners tributary to said ditch. I find the following property owners for which I have no mailing address and I am wondering if you would be kind enough to note after each name the address. Some of these property owners may be non-residents so that no address is available. Thanking you in advance for this information, I am

Yours truly,

E. A. Carlson, County Auditor
