State of Minnesota, County of Anoka, ss.—
Whereas, the petition of J. A. Peterson and others, bearing date the 30th day of June, 1915, praying for the establishment of a county ditch along the route described in the petition, a true copy of which follows, has been filed in my office, now, therefore, notice is hereby given of the pendency of said petition, and that the same will be heard and considered by the Board of County Commissioners at its special meeting to be held at the auditor's office in the court house in the city of Anoka on the 19th day of January, 1916, at 10:30 o'clock a. m.

ARTHUR A. CASWELL,
County Auditor.

COPY OF PETITION:

To the County Board of the County of Anoka, State of Minnesota: The undersigned land owners, whose lands will be liable to be affected by, or assessed for, the expense of the construction of the public ditch and branches hereinafter described, respectfully represent that the public health, convenience and welfare require the establishment and construction of a public ditch and branches along the following described route in the towns of Ham Lake and Grow in said county of Anoka, and that the establishment and construction of the same will be of public benefit and utility and will promote the public health, and is necessary for the following reasons, among others, to-wit: The territory to be drained by the proposed public ditch and branches consists of a large basin or area of low meadow, marsh and bog land, having but limited outlets for surface waters, and which is overflowed and covered with stagnant water to a considerable extent during a large portion of the year, and is east one-half of the northeast one-quarter, the southwest one-quarter of the northeast one-quarter, the northwest one-quarter and the northwest one-quarter of the southwest one-quarter, all in section nine, and the southeast one-quarter of section eight, to the point where said county ditch number four joins said county ditch number two, and thence generally along the course of said county ditch number two through sections eight, seven, seventeen, eighteen, nineteen, and thirty, all in township thirty-two, range twenty-three, to Coon Creek, and terminating at the point where county ditch number two now empties into said Coon Creek and having said Coon Creek as its outlet. Branch number one: Commencing near the northwest corner of the northeast quarter of the northeast one-quarter of section thirteen, township thirty-two, range twenty-four, and thence southeasterly following the course of the branch now established as a part of county ditch number two through section thirteen in said town and range and section eighteen in township thirty-two, range twenty-three and terminating at the point where said branch now joins said county ditch number two in said section eighteen, together with such other branches, extensions and laterals as may be necessary to properly drain said lands.

And your petitioners pray that you will proceed to establish such ditch and cause the same to be constructed as provided by chapter forty-four, General Statutes of Minnesota for the year 1913, together with all acts amendatory thereof and supplemental thereto.
