Dear Sir:-

As the owner of the Northwest Quarter of the Southeast Quarter of Section 3-32-23, Hamm Township, beg to state I am heartily in favor of putting thru this ditch #58, and wish my vote to be so recorded.

If it is necessary for me to be there in person in order to obtain favorable action, I will be on hand, but unless it is necessary I do not wish to make the trip.

Are you in position to state whether or not the majority of the affected land owners are in favor of the project, or is there serious opposition? Kindly let me hear from you on this point, and oblige. Also will the proposed ditch drain the marsh in my tract?

Very truly yours,
