Notice is hereby given, that, on the 12th day of March, 1891, at 10 o'clock a. m., at the County Auditor's office, in the city of Anoka, I will sell the jobs of digging and constructing the Ditch No. 9, of Anoka county, established by the Board of County Commissioners of Anoka county, State of Minnesota, by their order bearing date January 7th, 1891, viz: In sections of 100 feet each, each of said sections to be known and numbered by stakes, as shown by the report of the viewers in said matter, commencing at the one including the outlet, and from thence, successively, up stream to the one including the source. The place of commencement of said ditch and branch, at its source, is as follows: Commencing at a marsh lake on the $\frac{se}{4}$ of the $\frac{ne}{4}$ of section 28, township 31, range 23, thence running in a north and easterly direction over and across sections 28, 27, 22, 23, 15 and 14, in said township and range, and terminating at a point at or near the east line of said section 14, at or near the east quarter post of said section 14, as its outlet. Also a branch to said ditch commencing at or near a point 80 rods west of the east quarter post of section 27, township 31, range 23, thence running in a north and easterly direction over and across sections 27, 26, 22 and 23, said township and range, so far as may be necessary, and practicable to connect with main ditch at its outlet; to the lowest responsible bidder or bidders, said work to be completed within the time required, and in the manner specified, in said viewer's report. And no bid will be entertained which exceeds more than thirty (30) per cent. over and above the estimated cost of the construction, in any case, as stated in the said order; and the successful bidder will be required to give a satisfactory bond, with two freehold securities, for the faithful performance and fulfillment of his contract, and to pay all damages that may accrue by reason of his failure to complete the job within the time required in the contract. The said order and estimates and profile are on file, and may be seen at my office.
