g. If any damage to the Common Elements or other unit is caused by the act or omission of any Owner or Occupant, or their guests, the Association may assess the costs of repairing the damage exclusively against the Owners unit to the extent not covered by insurance.

7.1. General. The property shall be owned, conveyed, encumbered, leased, used and occupied subject to the Governing Documents and the Act, as amended from time to time. All covenants, restrictions and obligations set forth in the Governing Documents are in furtherance

of a plan for the property, and shall run with the property and be a burden and benefit to all Owners and Occupants and to any other person acquiring or owning an interest in the property, their heirs, personal representatives, successors and assigns.

7.2. Subdivision Prohibited. Except as permitted by the Act, no unit or any part of the Common Elements may be subdivided or partitioned without the prior written approval of all Owners and all secured parties holding first mortgages on the units.

7.3. Residential Use. The units shall be used by Owners and Occupants and their guests exclusively as private, single family residential dwellings, and not for transient, hotel, commercial, business or other non-residential purposes, except as provided in Section 7.4. Any lease of a unit (except for occupancy by guests with the consent of the Owner) for a period of less than 7 days, or any occupancy which includes any services customarily furnished to hotel guests, shall be presumed to be for transient purposes.

7.4. Business Use Restricted. No business, trade, occupation or profession of any kind, whether carried on for profit or otherwise, shall be conducted, maintained, or permitted in any unit or the Common Elements, except (i) an Owner or Occupant residing in a unit may keep and maintain their business or professional records in such unit and handle matters relating to such business by telephone or correspondence therefrom, provided that such uses are incidental to the residential use, do not involve physical alteration of the unit and do not involve any observable business activity such as signs, advertising displays, bulk mailings, deliveries or visitation or use of the Unit by customers and employees and (ii) the Association may maintain offices on the Property for management and related purposes.

7.5. Leasing. Leasing of the units shall be allowed, subject to reasonable regulation by the Association, and subject to the following conditions: (i) that no unit shall be leased for transient or hotel purposes; (ii) that no unit may be subleased; (iii) that all leases shall be in writing, a true and correct fully executed copy of which (including any subsequent amendments) shall be provided to the Board or its authorized agent or management company; (iv) that all leases shall provide that they are subordinate to and subject to the provisions of the Governing Documents, the Rules and Regulations and the Act; and (v) that any failure of the lessee to comply with the terms and conditions of such documents shall be a default under the lease. The Association may impose such reasonable Rules and Regulations as may be necessary to implement procedures for the leasing of the units consistent with this section.

7.6. Parking. Garages and parking areas on the property shall be used only for parking of vehicles owned or leased by Owners and Occupants or their guests and such other incidental uses as may be authorized in writing by the Association. The use of garages, driveways, and other parking areas on the property and the types of vehicles and personal property permitted thereon, shall be subject to regulation by the Association, including without limitation the right of the Association to tow illegally parked vehicles or to remove

unauthorized personal property.

7.7. Animals. No animals may be bred, or kept or maintained for business or commercial purposes, anywhere on the property. However, the Board shall have the exclusive authority to prohibit, or to allow and regulate, by Rules and Regulations, the keeping of animals on the property. The word "animal" shall be construed in its broadest sense and shall include all living creatures except humans.

7.8. Quiet Enjoyment; Interference Prohibited. All Owners and Occupants and their guests shall have a right of quiet enjoyment in their respective units, and shall use the property in such a manner as will not cause a nuisance, nor unduly restrict, interfere with or impede the use of the property by other Owners and Occupants and their guests.

7.9. Compliance with Law. No use shall be made of the property which would violate any then-existing municipal codes or ordinances, or state or federal laws, nor shall any act or use be permitted which would cause waste to the property, cause a material increase in insurance rates on the property, or otherwise cause any unusual liability, health or safety risk, or expense, for the Association or any Owner or Occupant.

7.10. Alterations. Except for those made by the Declarant in consideration of its initial sale of a unit, no alterations, changes, improvements, replacements or repairs of any type, temporary or permanent, structural, aesthetic or otherwise, (collectively referred to as "alterations") shall be made, or caused or allowed to be made, by any Owner or Occupant, or their guests, in any part of the Common Elements, or in any part of the unit which affects the Common Elements or another unit which is visible from the exterior of the unit, without the prior written authorization of the Board, or a committee appointed by it, as provided in Section 8. The Board, or the appointed committee if so authorized by the Board, shall have the authority to establish reasonable criteria and requirements for alterations, and shall be the sole judge of whether the criteria are satisfied.

7.11. Time Shares Prohibited. The time share form of Ownership, or any comparable form of lease, occupancy rights or Ownership which has the effect of dividing the Ownership or occupancy of a unit into separate time periods, is prohibited.

7.12. Access to Units. In case of an emergency, all units and Limited Common Elements are subject to entry, without notice and at any time, by an officer or Board member, by the Association's management agents or by any public safety personnel. Entry is also authorized for maintenance purposes under Sect. 9 and for enforcement purposes under Sect. 14.

SECTION 8

ARCHITECTURAL CONTROLS

8.1. Restrictions on Alterations. The following restrictions and requirements shall apply to alterations on the property:

a. Except as expressly provided in this Sect. 8, and except for alterations made by the Declarant in consideration of its initial sale of a unit, no structure, building, addition, deck, patio, fence, wall, enclosure, window, exterior door, sign, display, decoration, color change, shrubbery, material topographical or landscaping change, nor any other exterior improvements to or alteration of any Dwelling or any other part of a unit which is visible from the exterior of the unit (collectively referred to as "alterations"), shall be commenced, erected or maintained in a unit unless and until the plans and specifications showing the nature, kind, shape, height, color, materials and locations of the alterations shall have been approved in writing by the Board or a committee appointed by it.

b. The criteria for approval shall include and require, at a minimum, (i) substantial uniformity of color, size, location, type and design in relation to existing improvements and topography, (ii) comparable or better quality of materials as used in existing improvements, (iii) ease of maintenance and repair, (iv) adequate protection of the property, the Association, Owners and Occupants from liability and liens arising out of the proposed alterations, and (v) compliance with governmental laws, codes and regulations.

c. Approval of alterations which encroach upon another unit or the Common Elements shall create an appurtenant easement for such encroachment in favor of the unit with respect to which the alterations are approved; provided that any easement for a deck or patio other than as originally constructed shall be approved by a Resolution of the Board and a file of such resolutions shall be maintained permanently as a part of the Association's records.

d. Alterations described in Section 15 shall be governed by that Section.

8.2. Review Procedures. The following procedures shall govern requests for alterations under this Section:

a. Detailed plans, specifications, and related information regarding any proposed alteration, in form and content acceptable to the Board, shall be submitted to the Board at least sixty (60) days prior to the projected commencement of construction. No alterations shall be commenced prior to approval.

b. The Board shall give the Owner written notice of approval or disapproval. If the Board fails to give written notice of their approval or disapproval within sixty (60) days after receipt of said plans and specifications, and any other information requested by the Board, then approval shall not be required, and this Section shall be deemed to have been fully complied with so long as the alterations are done in accordance with the plans, specifications and related information which were submitted.

c. If no request for approval is submitted, approval is

denied, unless (i) the alterations are reasonably visible and (ii) no written notice of the violation has been given to the Owner in whose unit the alterations are made, by the Association or another Owner, within six months following the completion of the alterations. Notice may be direct written notice or the commencement of legal action by the Association or an Owner. The Owner of the unit in which the alterations are made shall have the burden of proof, by clear and convincing evidence, that the alterations were completely and reasonably visible for at least six months following completion and that notice was not given.

8.3. Remedies for Violations. The Association may undertake any measures, legal or administrative, to enforce compliance with this Section and shall be entitled to recover from the Owner causing or permitting the violation all reasonable attorney's fees and costs of enforcement, whether or not a legal action is started. Such attorney's fees and costs shall be a lien against the Owner's unit and a personal obligation of the Owner. In addition, the Association shall have the right to enter the Owner's unit and to restore any part of the dwelling or unit to its prior condition, if any alterations were made in violation of this Section. The cost of such restoration shall be a personal obligation of the Owner and a lien against the Owner's unit.

SECTION 9

MAINTENANCE

9.1. Maintenance by Association. The Association shall provide for all maintenance, repair or replacement (collectively referred to as "maintenance") of the Common Elements. In addition, for the purpose of preserving the architectural character, quality, and uniform high standards for appearance of the property, the Association shall (i) provide for exterior maintenance upon the dwelling in each unit that is subject to assessment as follows: paint and replace roofs, gutters, downspouts, decks, garage doors (except hardware), and exterior siding and other building surfaces, and (ii) provide for lawn, shrub and tree maintenance on all units, except for watering. The Association's obligations shall exclude patios, entry doors, door hardware, air conditioning equipment, glass and window frames, foundations and foundation walls, structural members and any other items not specifically referred to in this Section, unless otherwise approved under Section 9.2. The Association shall have easements as described in Section 13 to perform its obligations under this Section 9.

9.2. Optional Maintenance by Association. In addition to the maintenance described in this Section, the Association may, with the approval of a majority of votes cast in person or by proxy at a meeting called for such purposes, undertake to provide additional exterior maintenance to the units or dwellings, or maintenance of water and sewer systems within the units.

9.3. Maintenance by Owner. Except for exterior maintenance required to be provided by the Association under Section 9.1 or 9.2,

all maintenance of the dwellings or units shall be the sole responsibility and expense of the Owners thereof. However, the Owners and Occupants shall have a duty to promptly notify the Association of defects in or damage to those parts of the property which the Association is obligated to maintain. The Association may require that any exterior maintenance to be performed by the Owner to be accomplished pursuant to specific uniform criteria established by the Association. The Association may also undertake any exterior maintenance which the responsible Owner fails to do, or improperly performs, and assess the unit and the Owner for the cost thereof.

9.4. Damage Caused by Owner. Notwithstanding any provision to the contrary in this Section, if, in the judgment of the Association, the need for maintenance of any part of the property is caused by the willful or negligent act or omission of an Owner or Occupant, or their guests, or by a condition in a unit which the Owner or Occupant has willfully or negligently allowed to exist, the Association may cause such damage or condition to be repaired or corrected (and enter upon any unit to do so), and the cost thereof may be assessed against the unit of the Owner responsible for the damage. In the case of party walls between the dwellings, the Owners of the affected dwellings shall be liable as provided in Section 10.

SECTION 10

PARTY WALLS

10.1. General Rules of Law to Apply. Each dwelling wall built as part of the original construction of the dwelling and located on the boundary line between the units shall constitute a party wall, and to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligent or willful acts or omissions shall apply thereto.

10.2. Repair and Maintenance. The Owners of the units which share the party wall shall be responsible for the maintenance, repair and replacement of the party wall in proportion with their use; provided (i) that any maintenance, repair or replacement necessary due to the acts or omissions of a certain Owner or Occupant sharing such party wall shall be paid for by such Owner, and (ii) that the Association may contract for and supervise the repair of damage caused by an Owner or Occupant and assess the Owners for their respective shares of the cost to the extent not covered by insurance.

10.3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has the use of the wall may, with the consent of the Association, restore it, and the other Owner shall promptly reimburse the Owner who restored the wall for their share of the cost of restoration thereof; provided however that the cost of restoration resulting from destruction or other casualty resulting from the acts or omissions of certain Owners shall be the financial responsibility of such Owners, and the Association may assess the responsible Owners for their share of the costs, without prejudice to the right of an Owner to recover a larger

contribution from the other Owner. Insurance claims shall be made promptly following any casualty.

10.4. Weatherproofing. Notwithstanding any other provision of this Section, any Owner who, by their negligent or willful act, causes a party wall to be exposed to the elements, shall bear the whole cost of the repairs necessary for protection against such elements.

10.5. Right to Contribution Runs with the Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to that unit and shall pass to such Owner's assigns and successors in title.

10.6. Arbitration. In the event of any dispute arising concerning a party wall, and if the same is not resolved within thirty (30) days of the event causing the dispute, the matter shall be submitted to binding arbitration under the rules of the American Arbitration Association, upon the written demand of the Association or any Owner whose dwelling shares the party wall. Each party agrees that the decision of the Arbitrators shall be final and conclusive of the questions involved. The fees of the Arbitrators shall be shared equally by the parties, but each party shall pay its own attorneys fees or other costs to prove its cause.

SECTION 11

INSURANCE

11.1. Required Coverage. The Association shall obtain and maintain, at a minimum, a master policy or policies of insurance in accordance with the insurance requirements set forth in the Act and the additional requirements set forth herein, issued by a reputable insurance company or companies authorized to do business in the State of Minnesota, as follows:

a. Property insurance in broad form covering all risks of physical loss in an amount equal to one hundred percent (100%) of the insurable "replacement cost" of the property, less deductibles, exclusive of land, footings, excavation and other items normally excluded from coverage (but including all building service equipment and machinery). The policy or policies shall also cover all personal property owned by the Association. The policy or policies shall also contain "Inflation Guard" and "Agreed Amount" endorsements, if reasonably available. Such policy or policies shall include such additional endorsements, coverages and limits with respect to the foregoing and other hazards as may be required from time to time by the regulations of the FHA or Federal National Mortgage Association (FNMA) as a precondition to their insuring, purchasing or financing a mortgage on a unit. The Board may also, on behalf of the Association, enter into binding written agreements with a mortgagee, insurer or servicer, including without limitation the FHA or FNMA, obligating the Association to keep certain specified coverages or endorsements in effect.

b. Comprehensive public liability insurance covering the use, operation and maintenance of the Common Elements, with minimum limits of \$1,000,000.00 per occurrence, against claims for death, bodily injury and property damage, and such other risks as are customarily covered by such policies for projects similar in construction, location and use to the property. The policy shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner or Occupant because of the negligent acts of the Association or other Owners or Occupants. The policy shall also include such additional endorsements, coverages and limits with respect to such hazards as may be required by the regulations of the FHA or FNMA as a precondition to their insuring, purchasing or financing of a unit.

c. Fidelity bond or insurance coverage against dishonest acts on the part of the Directors, Officers, managers, trustees, employees or any other persons responsible for handling funds belonging to or administered by the Association if deemed to be advisable by the Board or required by the regulations of the FHA or FNMA as a precondition to the purchase or financing of a mortgage on a unit. The fidelity bond or insurance shall name the Association as the named insured and shall, if required by the regulations of the FHA or FNMA as a precondition to their insuring, purchasing or financing of a unit, be written in an amount equal to the greater of (i) the estimated maximum of Association funds, including reserves, in the custody of the Association or management agent at any given time while the bond is in force, or (ii) a sum equal to three months aggregate assessments on all units plus reserves. An appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers, or a waiver of defense based upon the exclusion of persons serving without compensation shall be added.

d. Worker's Compensation insurance as required by law.

e. Directors and Officers liability insurance with such reasonable limits and coverages as the Board shall determine from time to time.

f. Such other insurance as the Board may determine from time to time to be in the best interests of the Association and the Owners.

11.2. Premiums; Improvements; Deductibles. All insurance premiums shall be assessed and paid as a Common Expense. The insurance need not cover improvements and betterments to the units installed by Owners, but if improvements and betterments are covered, any increased cost may be assessed against the units affected. The Association may, in the case of a claim for damage to a unit, (i) pay the deductible amount as a Common Expense; (ii) assess the deductible amount against the units in any reasonable manner, or (iii) require the Owners of the units affected to pay the deductible amount directly.

11.3. Loss Payee; Insurance Trustee. All insurance coverage

maintained by the Association shall be written in the name of, and the proceeds thereof shall be payable to, the Association (or a qualified insurance trustee selected by it) as trustee for the benefit of the Owners and secured parties, including eligible mortgagees which suffer loss. The Association, or any insurance trustee selected by it, shall have exclusive authority to negotiate, settle and collect upon any claims or losses under any insurance policy maintained by the Association.

11.4. Waivers of Subrogation. All policies of insurance shall contain waivers of subrogation by the insurer against the Association, or an Owner, members of the Owners household, Officers or Directors, as applicable, and, if available, waivers of any defense based on co-insurance or of invalidity from any acts of the insured.

11.5. Cancellation; Notice of Loss. All policies of property insurance and comprehensive liability insurance maintained by the Association shall provide that the policies shall not be cancelled or substantially modified, for any reason, without at least 30 days prior written notice to the Association, to the FHA or FNMA (if applicable), all of the insureds and all Eligible Mortgagees.

11.6. Restoration in Lieu of Cash Settlement. All policies of property insurance maintained by the Association shall provide that, despite any provisions giving the insurer the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable (i) without the prior written approval of the Association (or any insurance trustee) or (ii) when in conflict with provisions of any insurance trust agreement to which the Association may be a party, or any requirement of law.

11.7. No Contribution. All policies of insurance maintained by the Association shall be the primary insurance where there is no other insurance in the name of the Owner covering the same property, and may not be brought into contribution with any insurance purchased by Owners or their Eligible Mortgagees.

11.8. Effect of Acts Not Within Association's Control. All policies of insurance maintained by the Association shall provide that the coverage shall not be voided by or conditioned upon (i) any act or omission of an Owner or an Eligible Mortgagee, unless acting within the scope of authority on behalf of the Association, or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the property over which the Association has no control.

11.9. Owner's Personal Insurance. Each Owner may obtain additional personal insurance coverage at their own personal expense covering fire and other casualty to the unit, personal property or personal liability. All insurance policies maintained by the Owners shall provide that they are without contribution as against the insurance purchased by the Association.

RECONSTRUCTION, CONDEMNATION AND EMINENT DOMAIN

12.1. Reconstruction. The obligations and procedures for the repair, reconstruction or disposition of the property following damage or destruction thereof shall be governed by the Act. Any repair or reconstruction shall be substantially in accordance with the Plans and Specifications of the property as initially constructed and subsequently improved. The Association shall have all authority necessary to cause the property to be reconstructed, including without limitation the authority to (i) require the Owners to enter into reconstruction contracts on their respective units, or (ii) to contract for the reconstruction of the units on behalf of the Owners. Notice of substantial damage or destruction shall be given pursuant to Section 17.10.

12.2. Condemnation and Eminent Domain. In the event of a taking of any part of the property by condemnation or eminent domain, the provisions of the Act shall govern; provided, however, that notice shall be given pursuant to Section 17.10. Eligible Mortgagees shall be entitled to priority for condemnation awards in accordance with the priorities established by the Act and the Governing Documents, as their interests may appear.

12.3. Notice. All Eligible Mortgagees shall be entitled to receive notice of any condemnation proceedings or substantial destruction of the property, and the Association shall give written notice thereof to an Eligible Mortgagee pursuant to Section 17.10.

SECTION 13

EASEMENTS

13.1. Easement for Encroachments. Each unit and the Common Elements, and the rights of the Owners and the Occupants therein, shall be subject to an exclusive easement for encroachments in favor of the adjoining units for fireplaces, walls, roof overhangs, air conditioning systems, decks, balconies, porches, patios, utility installations and other appurtenances (i) which are part of the original construction of the adjoining unit or the property or (ii) which are added pursuant to Section 8. If there is an encroachment by a dwelling, or other building or improvement located in a unit, upon another unit or dwelling as a result of the construction, reconstruction, repair, shifting, settlement or movement of any part of the property, an appurtenant easement for the encroachment, for the use, enjoyment and habitation of any encroaching dwelling, building or improvement, and for the maintenance thereof, shall exist; provided that with respect to the improvements or alterations added pursuant to Section 8, no easement shall exist unless the same has been approved, and the proposed improvements constructed, as required by this Declaration. Such easements shall continue for as long as the encroachment exists and shall not affect the marketability of the title.

13.2. Easements for Maintenance, Repair, Replacement and

Reconstruction. Each unit, and the rights of the Owners and Occupants thereof, shall be subject to the rights of the Association to an exclusive, appurtenant easement on and over the units for the purposes of maintenance, repair, replacement and reconstruction of the units, and utilities serving the units, to the extent necessary to fulfill the Association's obligations under the governing documents.

13.3. Utilities Easements. The property shall be subject to non-exclusive, appurtenant easements for all utilities, water and sewer, and similar services, which exist from time to time, as constructed or referred to in the plat, or as otherwise described in this Amended Declaration or any other duly recorded instrument. Each unit, and the rights of the Owners and Occupants thereof, shall be subject to a non-exclusive easement in favor of the other units for all such services, including without limitation any sewer or water lines servicing the other units. Each unit shall also be subject to an exclusive easement in favor of the Association and all utility companies providing service to the units for the installation and maintenance of utilities metering devices.

13.4. Continuation and Scope of Easements. Notwithstanding anything in this Amended Declaration to the contrary, in no event shall an Owner or an Occupant be denied reasonable access to their unit or the right to the utility services thereto. The easements set forth in this Section shall supplement and not limit any easements described elsewhere in this Amended Declaration or recorded, and shall include reasonable access to the easement areas through the units and the Common Elements for the purposes of maintenance, repair, replacement and reconstruction.

SECTION 14

COMPLIANCE AND REMEDIES

Each Owner and Occupant, and any other person owning or acquiring any interest in the property, shall be governed by and shall comply with the provisions of the Act, the Governing Documents, the Rules and Regulations, the decisions of the Association, and such amendments thereto as may be made from time to time. A failure to comply shall entitle the Association to the relief set forth in this Section, in addition to the rights and remedies authorized elsewhere by the Governing Documents and the Act.

14.1. Entitlement to Relief. The Association may commence legal action to recover sums due, for damages, for injunctive relief, or to foreclose a lien owned by it, or any combination thereof, or any action for any other relief authorized by the Governing Documents or available at law or in equity. Legal relief may be sought by the Association against any Owner, or by an Owner against the Association or another Owner, to enforce compliance with the Governing Documents, the Rules and Regulations, the Act, or the decisions of the Association. However, no Owner may withhold any assessments payable to the Association, or take (or omit) other action in violation of the Governing Documents, the Rules and

Regulations or the Act, as a measure to enforce such Owner's position, or for any other reason.

14.2. Sanctions and Remedies. In addition to any other remedies or sanctions, expressed or implied, administrative or legal, the Association shall have the right, but not the obligation, to implement any one or more of the following actions against Owners or Occupants and/or their guests, who violate the provisions of the Governing Documents, the Rules and Regulations or the Act:

a. Commence legal action for damages or equitable relief in any court of competent jurisdiction;

b. Impose late charges of up to the greater of \$25.00 per month, or 15% of the amount due, for each past due assessment or installment thereof, and interest up to the highest rate permitted by law.

c. In the event of default of more than 30 days in the payment of any assessment or installment thereof, all remaining installments of assessments assessed against the unit by the defaulting Owner may be accelerated and shall then be payable in full if all delinquent assessments, together with all costs of collection and late charges, are not paid in full prior to the effective date of the acceleration. Reasonable advance written notice of the effective date of the acceleration shall be given to the defaulting Owner.

d. Impose reasonable fines, penalties or charges for each violation of the Act, the Governing Documents or the Rules and Regulations of the Association.

e. Suspend the rights of any Owner or Occupant and their guests to use any Common Element amenities; provided, that this limitation shall not apply to the Limited Common Elements or deck, balcony, porch or patio easements appurtenant to that unit, and those portions of the Common Elements providing utilities service and access to the unit. Such suspensions shall be limited to periods of default by such Owners and Occupants in their obligations under the Governing Documents, and for up to 30 days thereafter, for each violation.

f. Restore any portions of the Common Elements or Limited Common Elements damaged or altered, or allowed to be damaged or altered, by any Owner or Occupant or their guests in violation of the Governing Documents, and to assess the cost of such restoration against the responsible Owners and their units.

g. Enter any unit or Limited Common Element in which, or as to which, a violation or breach of the Governing Documents exists which materially affects, or is likely to materially affect in the near future, the health or safety of the other Owners or Occupants, or their guests, or the safety or soundness of any dwelling or other part of the property of the Owners or Occupants, and to summarily abate and remove, at the expense of the offending Owner or Occupant, any structure, thing or condition in the unit or Limited Common

Elements which is causing the violation; provided, that any improvements which are a part of a unit may be altered or demolished only pursuant to a court order or with the agreement of the Owner.

h. Foreclose any lien arising under the provisions of the Governing Documents or under law, in the manner provided for the foreclosure of mortgages by action or under a power of sale in the State of Minnesota.

14.3. Rights to Hearing. In the case of imposition of any of the remedies authorized by Section 14.2.d., e., f. or g. of this Section, the Board shall, upon the written request of the offender, grant to the offender a fair and equitable hearing as contemplated by the Act. The offender shall be given notice of the nature of the violation and the right to a hearing, and at least 10 days within which to request a hearing. The hearing shall be scheduled by the Board and held within thirty days of the receipt of the hearing request by the Board, and with at least 10 days prior written notice to the offender. If the offending Owner fails to appear at the hearing, then the right to a hearing shall be waived and the Board may take such action as it deems appropriate. The decisions of the Board and the rules for the conduct of hearings established by the Board shall be final and binding upon all parties. The Board's decision shall be delivered in writing to the offender within ten days following the hearing, if not delivered to the offender at the hearing.

14.4. Lien for Charges; Penalties, Etc. Any assessments, charges, fines, penalties or interest imposed under this Section shall be a lien against the unit of the Owner or Occupant against whom the same are imposed and the personal obligation of such Owner in the same manner and with the same priority and effect as assessments under Section 6. The lien shall attach as of the date of imposition of the remedy, but shall not be final as to violations for which a hearing is held until the Board gives written notice following the hearing. All remedies shall be cumulative, and the exercise of, or failure to exercise, any remedy shall not be deemed a waiver of the right to pursue any others.

14.5. Costs of Proceeding and Attorneys Fees. With respect to any collection measures, or any measures or action, legal, administrative or otherwise, which the Association takes to enforce the provisions of the Act, Governing Documents or Rules and Regulations, whether or not finally determined by a court or arbitrator, the Association may assess the violator and their unit with any expenses incurred in connection with such enforcement, including without limitation fines or charges previously imposed by the Association, reasonable attorneys fees and interest (at the highest rate allowed by law) on the delinquent amounts owed to the Association.

14.6. Liability for Owner 's and Occupant Acts. An Owner shall be liable for the expense of any maintenance, repair or replacement of the property rendered necessary by such Owner's acts or omissions, or by that of Occupants or guests in the Owner's unit, to the extent that such expense is not covered by the proceeds of insurance carried by the association or such Owner or Occupant. However, any insurance

deductible amount and/or increase in insurance rates, resulting from the Owner's acts or omissions, may be assessed against the Owner responsible for the condition and against their unit.

14.7. Enforcement by Owners. The provisions of this Section shall not limit or impair the independent rights of other Owners to enforce the provisions of the Governing Documents, the Rules and Regulations, and the Act as provided therein.

SECTION 15

RIGHTS TO ADD ADDITIONAL REAL ESTATE, RELOCATE UNIT BOUNDARIES AND ALTER UNITS

15.1. Rights to Relocate Boundaries and Alter Units. Existing or future units may be altered and unit boundaries may be relocated only in accordance with the following terms and conditions:

a. Combining Units. An Owner may make improvements or alterations to such unit or, may, after acquiring an adjoining unit, remove or alter any intervening partition or create apertures therein in accordance with Section 515B.2-114 of the Act and Subsection d of this Section.

b. Relocation of Boundaries. The boundaries between adjoining units may be relocated in accordance with Section 515B.2-114 of the Act and Subsection d of this Section.

c. Subdivision or Conversion. No additional units may be created by the subdivision or conversion of a unit (within the meaning of the Act), nor into two or more units, Common Elements or Limited Common Elements.

d. Requirements. The alteration, relocation of boundaries or other modification of units or the dwellings or other structures located therein (collectively referred to herein as "alteration" or "alterations") pursuant to this Section, Section 8, and the Act may be accomplished only in accordance with the following conditions:

(1) No unit may be altered if, thereafter, the dwelling located therein, or any other dwelling affected by the alteration, would no longer be habitable or practically usable for its intended purpose or would violate any law, code or ordinance of any governmental authority having jurisdiction over the property.

(2) No alteration may be made which adversely affects the structural or functional integrity of any building system or the structural support or weather-tight integrity of any portion of any building or other structure.

(3) The prior written consent of the Association shall be required for any alteration, except alterations made by the Declarant. Where required, such consent shall be requested in writing by each Owner whose unit is proposed to be altered, accompanied by such explanation, drawings and specifications relating to the

proposed alterations as may be reasonably required by the Association or the first mortgagee of the unit. The Association shall give such Owners notice in an expeditious manner, granting, denying or qualifying its consent.

(4) As a precondition to consenting to alterations, the Association may require, among other things, the following: (i) that all alterations will be done in a workmanlike manner and without impairing the structural, mechanical or weather-tight integrity of the building; (ii) that the Common Elements and altered units will be repaired and/or restored in the future as required by the Association; (iii) that the construction of the alterations will not create dangerous conditions for any Owners or Occupants; (iv) that the property, the first mortgagees and the Owners and Occupants will be protected from liens and other liability arising from the alterations; and (v) that the alterations will be done in compliance with the applicable laws, regulations and ordinances of the governmental authorities having jurisdiction over the property.

(5) The Association may require that the Owners of the units to be altered pay all costs of processing or documentation for the request and the preparation and recording of any necessary amendment to the Governing Documents, including without limitation such costs as filing, architects and attorneys fees incurred by the Association in connection with the alterations.

SECTION 16

AMENDMENTS

This Declaration may be amended by the consent of (i) Owners of units to which are allocated at least 67% of the votes in the Association, and (ii) the percentage of Eligible Mortgagees (based upon one vote per first mortgage owned) required by Section 17 as to matters prescribed by said Section. Consent of the Owners may be obtained in writing or at a meeting of the Association duly held in accordance with the By-Laws. Consents of Eligible Mortgagees and the Declarant shall be in writing. Any amendment shall be subject to any greater requirements imposed by the Act. The Amendment shall be effective when recorded as provided in the Act. An affidavit by the Secretary of the Association as to the outcome of the vote, or the execution of the foregoing agreements or consents, shall be adequate evidence thereof for all purposes, including without limitation the recording of the amendment.

SECTION 17

RIGHTS OF ELIGIBLE MORTGAGEES

Notwithstanding anything to the contrary in the Governing Documents, and subject to any greater requirements of the Act or other laws, Eligible Mortgagees shall have the following rights and protections:

17.1. Consent to Certain Amendments. The written consent of

Eligible Mortgagees representing at least 51% of the units that are subject to first mortgages held by Eligible Mortgagees (based upon one vote per first mortgage owned) shall be required for any amendment to the Governing Documents which causes any change in the following: (i) voting rights; (ii) increases in assessments that raise the previously assessed amount by more than 25%, assessment liens, or priority of assessment liens; (iii) reductions in reserves for maintenance, repairs and replacement of Common Elements; (iv) responsibility for maintenance and repairs; (v) reallocation of interests in the Common Elements or Limited Common Elements, or rights to their use; (vi) redefinition of any unit boundaries; (vii) convertibility of units into Common Elements or vice versa; (viii) expansion or contraction of the Property or the addition, annexation or withdrawal of property to or from the property; (ix) hazard or fidelity insurance requirements; (x) leasing of units; (xi) imposition of any restrictions on leasing of the units; (xii) if the common interest community consists of 50 or more units, a decision by the Association to establish self-management when professional management is in effect as required previously by the Governing Documents or by an Eligible Mortgagee; (xiii) restoration or repair of the property (after a hazard damage or partial condemnation) in a manner other than that specified in the Governing Documents; (xiv) any action to terminate the legal status of the common interest community after substantial destruction or condemnation occurs; or (xv) any provisions that expressly benefit mortgage holders, or insurers or guarantors of mortgages. Notwithstanding the foregoing, implied approval of a proposed amendment shall be assumed when an Eligible Mortgagee fails to submit a response to any written proposal for an amendment within 30 days after it receives proper notice of the proposal, provided that the notice was delivered by certified mail with a return receipt requested.

17.2. Consent to Certain Actions. The written consent of Eligible Mortgagees representing at least 67% of the units that are subject to first mortgages (based upon one vote per first mortgage owned) shall be required to abandon or terminate the common interest community, subject to any greater requirements contained in the Act.

17.3. Consent to Subdivision. No unit may be subdivided or partitioned without the prior written approval of the Owner and the Eligible Mortgagee thereof, and the Association.

17.4. No Right of First Refusal. The right of an Owner to sell, transfer or otherwise convey their unit shall not be subject to any right of first refusal or similar restrictions.

17.5. Priority of Lien. Any holder of a first mortgage on a Unit or any purchaser of a first mortgage at a foreclosure sale, that comes into possession of a unit by foreclosure of the first mortgage or by deed or assignment in lieu of foreclosure, takes the unit free of any claims for unpaid assessments or any other charges or liens imposed against the unit by the Association which have accrued against such unit prior to the acquisition of possession of the unit by said first mortgage holder or purchaser; (i) except as provided in Section 6.7 and the Act and (ii) except that any unpaid assessments

or charges with respect to the unit may be reallocated among all units in accordance with their interests in the common elements.

17.6. Priority of Taxes and Other Charges. All taxes, assessments and charges which may become liens prior to the first mortgage under state law shall release only to the individual units and not to the property as a whole.

17.7. Priority for Condemnation Awards. No provision of the Governing Documents shall give an Owner, or any other party, priority over any rights of the Eligible Mortgagee of the unit pursuant to its mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the unit and/or the Common Elements. The Association shall give written notice to all Eligible Mortgagees of any condemnation or eminent domain proceeding affecting the property promptly upon receipt of notice from the condemning authority.

17.8. Requirements in Management Agreements. The term of any agreement for professional management of the property may not exceed two (2) years. Any such agreement must provide at a minimum for termination without penalty or termination fee by either party, (i) with cause upon thirty (30) days prior written notice, and (ii) without cause upon ninety (90) days prior written notice.

17.9. Access to Books and Records/Audit. Eligible mortgagees shall have the right to examine the books and records of the Association upon reasonable notice during normal business hours, and to receive free of charge, upon written request, copies of the Association's annual reports and other financial statements. Financial statements, including those which are audited, shall be available within one hundred twenty (120) days of the end of the Association's fiscal year. If a request is made by FNMA or any institutional guarantor or insurer of a mortgage loan against a unit, for an audit of the Association's financial statements for the preceding year, the Association shall cause an audit to be made and deliver a copy to the requesting party.

17.10. Notice Requirements. Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor of a mortgage on a unit, and the unit number or address, the holder, insurer or guarantor shall be entitled to timely written notice of:

a. a condemnation loss or any casualty loss which affects a material portion of the property or the unit securing the mortgage;

b. a 60 day delinquency in the payment of assessments or charges owed by the Owner of a unit on which it holds a mortgage;

c. a lapse, cancellation or material modification of any insurance policy maintained by the Association; and

d. a proposed action which requires the consent of a specified percentage of the Eligible Mortgagees.

SECTION 18
