#### 10 00 ASSESSMENTS

10 01 General Provisions Section 515B 3-115 of the Act specifies how assessments are assessed and collected. Section 515B 3-116 specifies how the lien for assessments is created and enforced, and to which interests it is either superior or subordinate.

10 02 Annual Assessments Annual assessments shall be established and levied by the Board, subject to limitations set forth herein. Each annual assessment shall cover all of the anticipated Common Expenses of the Association for that year. Annual assessments shall provide, among other things, for contributions to a reserve fund as provided by the Act.

There shall be contributed by each purchaser of a Unit from the Declarant at the closing of such purchase an amount equal to two months of the estimated annual Common Expense assessment for the Unit being conveyed. This amount is not in prepayment of or substitution for monthly assessments, but is intended as a contribution to the Association's initial working capital and reserves. It may not be used by the Declarant to defray any of its expenses, reserve contributions or construction costs or make up any budget deficit while Declarant is in control of the Association. However, upon the closing of an unsold Unit, Declarant may reimburse itself from funds collected at the closing for funds which it contributed to the working capital fund with respect to that Unit.

Until the termination of the period of Declarant Control described in Section 20, any increase in the annual assessment for a year shall not exceed the greater of (i) the increase in the U.S. Department of Labor Revised Consumer Price Index for Urban Wage Earners and Clerical Workers for All Items for Minneapolis/St. Paul for the prior year, or (ii) five percent (5%) of the total annual assessment for the Association's previous fiscal year, unless such increase is approved by a vote of sixty-seven percent (67%) of the Members other than Declarant, voting in person or by proxy, at a meeting called for that purpose.

10 03 Special Assessments In addition to the annual assessments, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any unforeseen or unbudgeted Common Expense, including without limitation the unexpected construction, reconstruction, repair or replacement of a capital improvement, including fixtures related thereto, provided that any such assessment must be approved

by a vote of sixty-seven percent (67%) of the Members who are voting in person or by proxy, at a meeting duly called for this purpose

Until the termination of the period of Declarant Control described in Section 20, any such special assessment must be approved by a vote of sixty-seven percent (67%) of the Members, other than Declarant, who are voting in person or by proxy, at a meeting duly called for this purpose

10 04 Maintenance Assessments/Initial Contribution In addition to annual and special assessments, the Association shall levy in any assessment year, a maintenance assessment, without a vote of the Owners, for the purpose of defraying in whole or in part the cost of maintenance, repair or replacement of any exterior part or appurtenance of the Zero Lot line Units and any improvements on the zero Lot line units. The maintenance assessments provided for in this Section are intended to provide funding for (i) "staged" maintenance programs whereby the Association implements the overall maintenance and repair of the Zero Lot Line Units in a series of stages from year to year and (ii) maintenance required by a single or limited number of Zero Lot Line Units. Maintenance assessments shall be levied in any manner permitted by Section 515B 3-115(e) of the Act against only the Zero Lot Line Units benefitted. The assessment shall be a personal obligation of the Owner and a lien against the Zero Lot Line Unit with the same priority and enforceability as any lien for annual or special assessments

10 05 Commencement of Initial Annual Assessments The annual assessments provided for herein shall commence as to all Units not later than 60 days after the conveyance of the first Unit to an Owner other than Declarant (the "first annual assessment") The first annual assessment shall be adjusted according to the number of months remaining in the calendar year

10 06 Commencement of Annual Assessments The Board shall fix the amount of annual assessments against each Unit for the following fiscal year and shall send written notice thereof to each Owner. The due date for payment of annual assessments shall be as set by the Board. At the time the Board fixes the amount of annual assessments it shall adopt a budget for the following fiscal year and cause a copy of such budget in reasonable detail to be furnished to each Owner

10 07 Interest on Delinquencies The Board of Directors may, by resolution, require that Owners pay interest on delinquent installments from the first day of the month in which they are due at the highest rate allowed by law, but not in excess of eight (8) per cent per annum.
