ARTICLE VIII EASEMENTS

Section 1 General In addition to the easements, covenants, restrictions and conditions herein, all Lots shall be subject to easements and covenants hereinafter specifically described for

the benefit of the Properties or for the limited benefit of specified adjoining Lots, all as more fully set forth hereinafter in this Article. Within such easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of any utilities or trails or which may change the flow or drainage channels within the easements or which may obstruct, retard or change the flow of water through drainage easements. The easement area of each Lot and all improvements therein shall be maintained continuously by the Owner of the Lot, except for improvements which are the responsibility of the Association, a public authority or utility company.

Section 2. Utility Easements. All Lots and Common Elements are hereby subjected to easements in favor of the Association and the Owners of the Lots for the installation and maintenance of utilities, including gas, telephone, cable communications, electric, and cable TV. The Association or its proper representatives shall have the right of free access to any Lot or Living Unit for the purpose of maintaining any utility service to any Lot on the Properties. In addition, each Lot over which a utility is in fact installed or constructed as part of the original utility system shall be subject to an easement for utility purposes over the portion of the Lot upon which such utility service is constructed.

Section 3. Easements for Encroachment. In the event that any buildings or other structures originally constructed by the Declarant or constructed or erected thereafter on any Lot in accordance with this document encroaches upon any other Lot, or, if any such encroachment shall hereafter arise because of settling or shifting of the building or other cause, an exclusive easement appurtenant to said encroaching Lot for such encroachment and the maintenance thereof shall exist.

Section 4. Easement for Maintenance. Declarant hereby grants an easement in favor of the Association over and across each Lot for the purposes of the Association performing its duties. Each Unit shall be subject to an access easement, in favor of the Association, to allow the Association's fire suppression contractor to periodically test the fire suppression system in each Unit.

Section 5. Emergency Vehicles. Declarant hereby grants a perpetual, non-exclusive easement in favor of the **City of Fridley**, a municipal corporation under the laws of the State of Minnesota, on, over and across the Common Elements for the purpose of ingress and egress for police, fire, rescue and other emergency calls, animal control, health and prospective inspection and to provide to the Owners other public services deemed necessary by the **City of Fridley** and for the purposes set forth herein.

ARTICLE IX TRASH REMOVAL

Section 1. Master Contract. The Association may contract with a single provider for the removal and disposal of garbage, trash and other solid waste from all Lots in accordance with

this Declaration. Each Owner shall be obligated to purchase such services from the provider(s) designated by the Association upon the terms, conditions and rates negotiated by the Association

Section 2. Charges. Any charges imposed by the provider designated by the Association shall be paid by the Association and shall be included in the general assessments to Owners. In the event that any Owner requests any services not included within the basic/general charges of the provider, the Owner, upon written demand by the Association, shall reimburse the Association for any charges for such services, plus all related costs, including interest, attorney fees and administrative charges of the Association, and if not paid by Owner, such charges shall be a lien against the Lot. Any charge, lien or claim pursuant to this Article shall not be subject to any maximum increase in general assessments.

ARTICLE X INSURANCE AND RECONSTRUCTION

Section 1. Liability Insurance; Fidelity Bonds. The Board of Directors of the Association, or its duly authorized agent, shall obtain a broad form of public liability insurance insuring the Association, with such limits of liabilities as the Association shall determine to be necessary, against all acts, omissions to act and negligence of the Association, its employees and agents.

Section 2. Property Insurance. Each Owner, by acceptance of a deed or contract for deed on a Lot, covenants to cooperate with the Association to maintain and timely pay the Owner's share of premiums on a master insurance policy, including fire, extended coverage, vandalism and malicious mischief, with all risk endorsements insurance, and such additional insurance as may be required by the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation, if applicable. The Association, through its Board of Directors, may obtain and continue in effect master property insurance in form and amounts satisfactory to cover a minimum of the entire replacement cost for all of the living units located on each Lot of the Properties, but without prejudice to the right of the Owner of said Lot to obtain additional individual Living Unit insurance. Each Owner shall join in said master policy and pay a share of the premiums thereon in such manner as determined by the Association. Any such master policies and coverage shall be purchased and carried by the Association on the Properties, and the proceeds thereof shall be used exclusively for the repairs, replacement and reconstruction of the Properties. Any insurance shall cover a minimum of the entire replacement cost of any improvements located on the Property. Said master policy shall be issued in the name of the Association as insurance trustee for the Owners, and shall provide that losses shall be payable to the trustee and first mortgagee of record, if any. Any such master insurance shall cover loss by damage and fire and such hazards as are covered under standard extended coverage provisions and may include such other and additional coverages as the Association, through its Board of Directors, deems necessary or desirable.

All policies, whether obtained by an Owner or the Association, shall prohibit cancellation or substantial modification without at least thirty (30) days prior written notice to all insureds, the Association, all first mortgagees of record. All said insurance policies shall contain a cost of replacement endorsement.

Section 3. Insurance Premiums If so determined by the Board of Directors, insurance premiums for any master insurance coverage and other insurance coverages shall be a common expense paid by monthly assessments levied by the Association, such payments shall be held in a separate escrow account of the Association and used solely for the payment of master property insurance premiums and other insurance premiums as such premiums become due. An Owner by acceptance of a deed or contract for deed thereof, conveys, covenants, constitutes and appoints the Association or its Board of Directors as the Owner's true and lawful Attorney-In-Fact to act in connection with all matters concerning the purchase and maintenance of all types of property and liability insurance pertaining to the properties, the ownership of any respective Lot and Living Unit thereto with any insurance company or group of insurance companies. Without limitation on the generality of the foregoing, the Association, as insurance trustee, has full power and authority to purchase and maintain such insurance, to collect proceeds and to distribute the same.

Section 4. Lien For Premiums. The Association may, but shall not be required to, make payment of insurance premiums on behalf of any Owner who becomes delinquent in such payment or the first mortgagee of any Lot may, but shall not be required to, make such payments. In the event that the Association or the first mortgagee does make such payment, then such payment and the cost hereof shall be treated as if it is part of the common expense assessment and shall be a charge and a continuing lien on the Lot for whose benefit such premium payment is made, and the personal obligation of the Owner of such Lot, from the time when such premium payment is made.

Section 5. Use of Proceeds In the event of destruction or damage by causes covered by insurance referred to in this Article X, all proceeds of said insurance coverage shall be payable to the Association as insurance trustee for the Owner or Owners of the damaged Lots. Said insurance proceeds shall be applied and administered as follows:

- a. In the event of an insured loss to a Lot, all insurance proceeds paid to the trustee and the first mortgagee of record of the damaged Lot shall be deposited with a title insurance company acceptable to them to be held in escrow for restoration.
- b. In the event of an insured loss to a Lot, the Owner of such Lot with respect to which the insurance loss occurs shall, within thirty (30) days after the insurance proceeds are deposited with a title insurance company in accordance with paragraph a. above, enter into a firm contract with a qualified builder providing for the reconstruction of the improvement, in substantially the same condition as existed immediately prior to the insured loss, provided, however, that no contract

shall be entered into by such Owner for an amount in excess of the insurance proceeds then held by the title insurance company until additional funds are deposited in escrow as above provided by such Owner sufficient to cover all construction as determined by the title insurance company. Said reconstruction shall be commenced and completed with due diligence and in no event shall said work be completed later than one-hundred-eighty (180) days after said insurance proceeds are deposited in escrow as aforesaid. The Association and first mortgagee of record of the Lot affected shall have the right, but not the obligation, to deposit said additional funds in excess of the insurance proceeds as may be required to permit construction as herein provided, provided that if such additional funds are deposited by the Association, the Association shall reimburse itself by a special general assessment against all Lot owners in such annual installments as the Association may determine.

- c. In the event such Owner fails to enter into a contract as provided in paragraph b above for the reconstruction of the improvement as provided above or, in the event that reconstruction is not commenced or completed as provided above, then the Association as trustee, with the consent of the first mortgagee of record, or the first mortgagee of record with the consent of the trustee, shall have the right, but not the obligation to enter into those contracts which it deems necessary to complete said reconstruction of the improvement on the Lot, and the Association as trustee or first mortgagee shall have the right to have said insurance proceeds applied in satisfaction of any obligations incurred pursuant to said contract, without liability of any kind to the Owner. The Association or the first mortgagee may employ any bonded party or parties as its agent exercising those functions given to it in this Article. The Association or the first mortgagee shall be empowered to pay said agent a reasonable fee for the services rendered by said agent and collect said charge from the Owner, and in the manner as that which is provided in Article X, Section 3, for the collection of an insurance premium paid by the Association.
- d. Disbursement of funds on deposit pursuant to Article X, Section 5 b and c shall be made by the title insurance company selected as hereinabove provided, subject to the following:
 - i. Receipt by the title insurance company of a written consent of any party holding a lien or encumbrance on said Lot.
 - ii. Receipt by the title insurance company of such construction statements, lists of subcontractors, lien waivers and receipts as it shall determine to be appropriate. Disbursements may be periodic or progress payments and the title insurance company may make such inspections and withhold such payments as it deems necessary to insure completion with the plans and

specifications. The title insurance company shall be entitled to charge and the trustee shall be empowered to pay a reasonable fee for the services rendered by the title insurance company, and the Association as trustee may collect such charge from the Owner, and in the same manner as that which is provided for in Article X, Section 3, for the collection of insurance premiums paid by the Association

111 In the event a contract is entered into pursuant to Article X, Section 5 b , the written consent of such Owner to said payment must be obtained

e Nothing contained in this Article shall be construed to make the Association or the first mortgagee of record responsible for collection or non-collection of any insurance proceeds; said Association or first mortgagee being responsible solely for the insurance proceeds which come into their hands. Such Owner of a Lot damaged or destroyed by causes referred to above shall collect or cause to be collected from the insurance carrier involved the proceeds of the policy covering his Lot for the use of the trustee and the first mortgagee as herein provided

f In the event that a reconstruction contract is for any reason not entered into pursuant to the provisions of Article X, Section 5 b and c. within one hundred-eighty (180) days after the deposit of insurance proceeds with the title insurance company as herein provided, said title insurance company shall disburse said proceeds to all mortgagees of record of the affected Lots as its interest appears to retire the indebtedness secured under said mortgage, and disburse the remaining deposits, if any, to such Lot Owner, as the interests may appear

Section 6 Waiver of Subrogation All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based on coinsurance or of the invalidity arising from acts of the insured and it shall provide that such policies may not be canceled or substantially modified without at least thirty (30) days prior written notice to all insureds, the Association, and all of the mortgagees of record of the Lots

Section 7. Insufficient Proceeds If the proceeds of the insurance are not sufficient to defray the estimated cost of reconstruction or repair of damaged properties and/or the Common Elements by the Association or if at any time during the reconstruction or repair or upon completion of such reconstruction or repairs, the funds for the payment of costs thereof are insufficient, assessments shall be made against the Owners who own the damaged properties or who have assigned their rights in sufficient amounts to provide funds to pay the estimated costs of repairs. The Association shall have a lien on any funds advanced on behalf of such Owners

Section 8 Other Insurance The Association shall procure and maintain the following additional insurance coverage:

- a Fidelity coverage against dishonest acts on the part of Directors, Managers, trustees, employees or volunteers responsible for handling funds collected and held for the benefit of the Owners. The fidelity bond or insurance shall name the Association as the named insured and shall be written in an amount sufficient to provide protection which is in no event less than the amount required by the Act or the estimated maximum amount of funds, (including reserves), in the custody of the Association or management agent at any given time. An appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if said policy would not otherwise cover volunteers
- b. A comprehensive policy of public liability insurance covering the Common Elements in an amount not less than one million dollars. Such insurance shall contain a "severability of insurance" endorsement which shall preclude the insurer from denying the claim of the Owner because of negligent acts of the Association or other owners
- c Workers Compensation insurance as required by law
- d Directors' and officers' liability insurance with such reasonable limits and coverages as the Board of Directors may determine from time to time
- e Such other insurance as the Board of Directors may determine from time to time to be in the best interests of the Association and the Owners or as may be required by the Act.

Section 9 Deductibles. As to any deductibles under any insurance coverages obtained by the Association, the Board of Directors may

- a. pay the deductible as a general common expense,
- b assess the deductible amount against any Lots affected in a reasonable manner, or
- c. assess the deductible against any Owner and the Owner's Lot if the loss was caused by the act or omission of the Owner, or the Owner's agents, employees, invitees, guests or any one occupying the Lot with the expressed or implied permission of the Owner

ARTICLE XI RIGHTS OF ELIGIBLE MORTGAGEES

- a. except as provided in Article III, Section 9 and the Section 515B 3-116 of the Act, and

The Association shall give written notice to all Eligible Mortgagees of any condemnation or eminent domain proceeding affecting the Property promptly upon receipt of notice from the condemning authority

Section 3 Amendment. The covenants and restrictions of this Declaration shall run with and bind the land and shall be perpetual This Declaration may be amended by an instrument signed by the Owners representing Lots to which not less than sixty-seven percent (67%) of the total votes have been allocated Any amendment must be recorded A copy of each amendment shall be provided to the **City of Fridley** by the Association.

Section 6. Conflicts Among Documents In the event of any conflict among the provisions of the Act, this Declaration, the Bylaws of the Association or any Rules and Regulations adopted by the Association, the documents shall control in the following order of priority:
