- (a) The right of the Association, in accordance with the Governing Documents to improve the Property and to borrow money for such purposes, and in aid thereof to mortgage said Common Elements; provided, however, that the rights of such mortgagee in said Common Elements shall be subordinate to the rights of the Owners and the First Mortgagees,

8.06 Use of the Common Elements. Except as herein provided, no Owner shall obstruct or interfere whatsoever with the rights and privileges of other Owners in Common Elements, and nothing shall be planted, altered, constructed upon or removed by an Owner from the Common Elements, except as provided in the Governing Documents. If an Owner shall violate any use provisions contained in the Governing Documents, the Association shall have the right to restore the Common Elements to its prior condition and assess the cost thereof against the Owner who violates such provision, and such cost shall become a lien upon the Owner's Unit, and shall become due and payable upon demand. The Association shall have the same rights and powers to collect the cost of such restoration as provided for the collection of delinquent annual assessments. If an Owner interferes with the rights and privileges of another Owner in the use of the Common Elements, except as herein provided, the Association or the offended Owner may commence an action to enforce any violated covenant and shall be entitled to recover such reasonable attorneys' fees as the court may allow, together with all necessary costs and disbursements incurred in connection therewith, if it/he prevails.

8.07 Taxes and Special Assessments on Common Elements. Taxes and special assessments that are levied against the Common Elements by any governmental taxing authority shall be divided and levied against the Units as the Association shall direct, which levies shall be a lien against said Units and shall be collectible by the Association as part of the annual assessment if the same are not required to be paid directly to the governmental authority.

9.00 ALLOCATED INTERESTS

9.01 Each of the Units is hereby allocated an equal portion of the Common Expenses, and one vote in the Association. However, certain expenses may be assessed against a certain Unit or Units under Section 515B.3-115 of the Act.

10.00 ASSESSMENTS

10.01 General Provisions. Section 515B.3-115 of the Act specifies how assessments are assessed and collected. Section 515B.3-116 specifies how the lien for assessments is created and enforced, and to which interests it is either superior or subordinate

10.02 Annual Assessments Annual assessments shall be established and levied by the Board, subject to limitations set forth herein. Each annual assessment shall cover all of the anticipated Common Expenses of the Association for that year. Annual assessments shall provide, among other things, for contributions to a reserve fund as provided by the Act.

Until the termination of the period of Declarant Control described in Section 20, any increase in the annual assessment for a year shall not exceed the greater of (i) the increase in the U S. Department of Labor Revised Consumer Price Index for Urban Wage Earners and Clerical Workers for All Items for Minneapolis/St. Paul for the prior year; or (ii) five percent (5%) of the total annual assessment for the Association's previous fiscal year, unless such increase is approved by a vote of sixty-seven percent (67%) of the Members other than Declarant, voting in person or by proxy, at a meeting called for that purpose.

10.03 Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any unforeseen or unbudgeted Common Expense, including without limitation the unexpected construction, reconstruction, repair or replacement of a capital improvement and including fixtures and personal property related thereto, and the exterior maintenance of Units, provided that any such assessment must be approved by a vote of sixty-seven percent (67%) of the Members who are voting in person or by proxy, at a meeting duly called for this purpose

Until the termination of the period of Declarant Control described in Section 20, any such assessment must be approved by a vote of sixty-seven percent (67%) of the Members, other than Declarant, who are voting in person or by proxy, at a meeting duly called for this purpose.

10.04 Maintenance Assessments/Initial Contribution. In addition to annual and special assessments, the Association may levy in any assessment year a maintenance assessment, without a vote of the Owners, for the purpose of

defraying in whole or in part the cost of maintenance, repair or replacement of any exterior part or appurtenance of any one or more Dwelling and any improvements on a Unit or Units. The assessments provided for in this Section are intended to provide funding for (i) "staged" maintenance programs whereby the Association implements the overall maintenance and repair of the Property in a series of stages from year to year and (ii) maintenance required by a single or limited number of Units. Maintenance assessments shall be levied in any manner permitted by Section 515B.3-115(e) of the Act against only the Unit or Units benefited. The assessment shall be a personal obligation of the Owner and a lien against the Unit with the same priority and enforceability as any lien for annual or special assessments.

There shall be contributed by each purchaser of a Unit from the Declarant at the closing of such purchase an amount equal to two months of the estimated annual Common Expense assessment for the Unit being conveyed. This amount is not in prepayment of or substitution for monthly assessments, but is intended as a contribution to the Association's initial working capital and reserves. It may not be used by the Declarant to defray any of its expenses, reserve contributions or construction costs or make up any budget deficit while Declarant is in control of the Association. However, upon the closing of an unsold Unit, Declarant may reimburse itself from funds collected at the closing for funds which it contributed to the working capital fund with respect to that Unit

10.05 Commencement of Initial Annual Assessments. The annual assessments provided for herein shall commence as to all Units in each phase not later than 60 days after the conveyance of the first Unit in each phase to an Owner other than Declarant (the "first annual assessment"). The first annual assessment shall be adjusted according to the number of months remaining in the calendar year

10.06 Commencement of Annual Assessments. The Board shall fix the amount of annual assessments against each Unit for the following fiscal year and shall send written notice thereof to each Owner. The due date for payment of annual assessments shall be as set by the Board. At the time the Board fixes the amount of annual assessments it shall adopt a budget for the following fiscal year and cause a copy of such budget in reasonable detail to be furnished to each Owner.

10.07 Interest on Delinquencies. Owners shall pay interest on delinquent installments from the first day of the month in which they are due at the highest rate allowed by law. Installments paid on or before ten (10) days after the first day of each month shall not result in any late charge, but the Association may, in its discretion impose a one time late charge. Any such late charge shall be added to each installment thereof not paid on or before the tenth (10th) day of each month. The late charge shall not exceed five percent (5%) of the delinquent installment. All payments upon account shall be applied first to interest and then to late charges and then to the amount of assessment installments then due in the inverse order of their due dates. If any installment of assessment remains

delinquent for thirty (30) days, the Board of Directors may, upon ten (10) days' written notice to any of the Owners responsible therefor, declare the entire amount of such assessment payable in the next twelve (12) months of that calendar year, immediately due and payable in full.

10.08 Association Funds. All sums collected by the Association from assessments may be commingled in a single fund, but they shall be held for and allocated to the Units in the respective shares in which they are paid and shall be credited to accounts from which shall be paid the Common Expenses. All assessments, both annual and special, shall become a lien on the Units on the first day of January in the year during which they are payable.

10.09 Lien Priority; Foreclosure. A lien under this Section is prior to all other liens and encumbrances on a Unit except (i) liens and encumbrances recorded before the Declaration; (ii) any first mortgage encumbering the fee simple interest in the Unit, and (iii) liens for real estate taxes and other governmental assessments or charges against the Unit. Notwithstanding the foregoing, if a first mortgage on a Unit is foreclosed, the first mortgage was recorded on or after June 1, 1994 and no Owner redeems during the Owner's period of redemption provided by Minn. Stat Chapters 580, 581 or 525, then the holder of the sheriff's certificate of sale from the foreclosure of the first mortgage shall take title to the Unit subject to a lien in favor of the Association for unpaid assessments for Common Expenses levied pursuant to Sections 515B.3-115(a), (h)(1) to (3), (i), and (l) of the Act which became due, without acceleration, during the six months immediately preceding the first day following the end of the Owner's period of redemption.

11.00 DECLARANT'S ASSESSMENT PAYMENTS

11.01 As provided in Section 515B.3-115(b) of the Act, and subject to any restrictions contained therein, Declarant's liability, and the assessment lien, for assessments on any Units owned by Declarant shall be limited to twenty-five percent (25%) of any assessment levied until the Unit or any building located in it is substantially completed. Substantial completion shall be evidenced by a Certificate of Occupancy issued by the municipality in which the Unit is located.

12.00 PARTY WALL AND OTHER EASEMENTS

12.01 General Rules of Law to Apply Each wall which is built as a part of the original construction of the Dwellings upon the Real Estate and placed on the dividing line between the Units shall constitute a party wall, and to the extent not inconsistent with the provisions of this Declaration or the Act, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

12.02 Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

12.03 Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, an Owner who has used the wall may restore it to its original condition, and if the other Owner(s) thereafter make use of the wall, they shall contribute to the cost of the restoration thereof in proportion to such use without prejudice to the right of any such Owner to call for a larger contribution from the others under any rule or law regarding liability for negligent or willful acts or omissions

12.04 Weatherproofing. Notwithstanding any other provision of this Declaration, an Owner who by the Owner's negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

12.05 Arbitration. In the event of any dispute arising under the provisions of Sections 12.01 to 12.05, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators, intending hereby to invoke and apply the provisions of Minnesota Statutes Section 572.08 to 572.30. The arbitration hearing shall be held within Anoka County, Minnesota, and the initial application under the statute shall be to the District Court for the Tenth Judicial District in and for Anoka County, Minnesota.

12.06 Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title.

12.07 Permanent Easements All easements described in this Declaration are permanent easements appurtenant, running with the land. They shall at all times inure to the benefit of and be binding on the Owner and the mortgagee, from time to time, of any Unit, and their respective heirs, successors, personal representatives or assigns

12.08 Unit to Unit Easements. Since each Dwelling forms an integral part of a building including other Dwelling(s), the Owner of each Unit shall have a non-exclusive right and easement over the Unit(s) with which it shares a party wall for lateral support, support, and where necessary, access for maintenance and upkeep of walls, fences and other improvements. In addition, in the event that any Dwelling or any improvements to any Unit encroach upon any part of another Unit, as a result of construction, reconstruction, repair, shifting, settlement or movement of any part of the Property, then a perpetual easement appurtenant to such encroaching Unit shall exist for the continuance of any such encroachment for so long as the encroachment shall exist.

12.09 Easement for Maintenance, Repair, Replacement and Reconstruction Each Unit, and the rights of the Owners and tenants thereof, shall be subject to the rights of the Association to an exclusive, appurtenant easement on and over the Units for the purposes of maintenance, repair, replacement and reconstruction of the Units, private streets and utilities serving the Units, to the extent necessary to fulfill the Association's obligations under the Governing Documents

12.10 Utilities Easements. The Property shall be subject to non-exclusive, appurtenant easements for all utilities, water and sewer, and similar services, which exist from time to time, as constructed by Declarant, referred to in the Plat, or as otherwise described in this Declaration or any other duly recorded instrument. Each Unit, and the rights of the Owners and tenants thereof, shall be subject to a non-exclusive appurtenant easement in favor of the other Units and the Association for all such services, including without limitation any sewer or water lines servicing other Units. Each Unit shall also be subject to an exclusive easement in favor of the Association and all utility companies providing service to the Units for the installation and maintenance of utilities, including but not limited to, metering devices.

It should be noted that the Common Elements include private utilities serving the Units. These private utilities are not public and no governmental entity has responsibility for their maintenance, nor does any governmental entity have any obligation or intent to accept the private utilities as public at any time in the future.

12.11 Continuation and Scope of Easements. Notwithstanding anything in this Declaration to the contrary, in no event shall an Owner or tenant be denied reasonable access to his or her Unit or the right to utility services thereto. The easements set forth in this Section shall supplement and not limit any easements described elsewhere in this Declaration or recorded, and shall include reasonable access to the easement areas through the Units and the Common Elements for purposes of maintenance, repair, replacement and reconstruction.

12.12 Use and Enjoyment Easements. Each Unit shall be the beneficiary of appurtenant easements on and across the Common Elements for the use and enjoyment of the Common Elements, and for use and enjoyment of any Limited Common Elements allocated to the Unit, subject to any restrictions authorized by the Declaration and consistent with the Association's rights therein

12.13 Access and Parking Easements Each Unit shall be the beneficiary of appurtenant easements on or across the Common Elements for access to a public street or highway and for parking in areas located and constructed by the Declarant or as shown on the Plat, subject to any restrictions set forth in the Declaration.

It should be noted that the Common Elements include private streets which provide physical access from each Unit to public roads. These private streets are not public streets and no governmental entity has responsibility for their maintenance, nor does any governmental entity have any obligation or intent to accept the private streets as public streets at any time in the future

13 00 ALLOCATION OF MAINTENANCE RESPONSIBILITY

13.01 The Exteriors. In order to preserve the uniform and high standard of appearance of the Property, the Association shall be responsible for the maintenance and repair of the Common Elements, private streets, and exterior of all Dwellings located on Units, which responsibility shall include, but not be limited to, the following. the maintenance and repair of exterior surfaces of all buildings on the Property, including, without limitation, the painting of same as often as necessary, the replacement of trim and caulking, and the maintenance and repair of roofs, gutters, downspouts and overhangs. The Association shall not be responsible for washing windows, or maintenance of air conditioning equipment; the maintenance, painting, and repair of exterior windows and doors; and necessary painting, staining, and repair of patio or deck structure. All maintenance and repair of the individual Dwellings shall be the sole obligation and expense of the individual Owner, except to the extent the exterior maintenance and repair is provided by the Association by this Section. In the event that the need for maintenance or repair is caused through the willful or negligent act or omission of an Owner, the Owner's family, guests, tenants or invitees, the cost of such maintenance or repair shall be added to and become a part of the assessment to which such Unit is subject.

13.02 Lawn and Planting Maintenance. The Association shall mow, trim, water, rake and otherwise maintain, all to the extent the Board deems necessary or desirable, all lawns and exterior plantings except that the Association may elect not to maintain gardens and plantings established by individual Owners, but to the extent the Association undertakes to do so, it will not be responsible for any damage to such gardens and plantings due to over watering, under watering or improper watering. All plantings shall be subject in each instance to the Board of Directors' right to disapprove plantings and locations which would be disharmonious.

13.03 Services. The Association may obtain and pay for the services of any persons or entities, to manage its affairs, or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall determine to be necessary or desirable for the proper operation of the Property, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or which it contracts. The Association may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Property or the enforcement of the Governing

Documents. The Association may arrange with others to furnish trash collection and other common services to each Unit.

If entered into prior to expiration of the period of Declarant Control pursuant to Section 515B.3-103 of the Act, (i) any management contract, employment contract or lease of recreational facilities, units, garages or other parking facilities, (ii) any contract, lease or license binding the association to which a Declarant or an affiliate of a Declarant is a party or (iii) any contract, lease or license binding the association or any unit owner other than the Declarant or an affiliate of the Declarant which is not bona fide or which was unconscionable to the Unit Owners at the time entered into under the circumstances then prevailing, may be terminated without penalty by the Association at any time after the expiration of the Declarant control upon not less than ninety (90) days notice to the other party.

The term of any agreement for professional management of the property may not exceed three years, but may be renewable by agreement of the parties for successive terms. Any such professional management agreement must provide at a minimum for termination without penalty or termination fee by either party on ninety (90) days or less written notice.

13 04 Personal Property for Common Use The Association may acquire and hold for the use and benefit of all of the Owners tangible and intangible personal property and may dispose of the same by sale or otherwise. Such beneficial interest shall not be transferable except with the transfer of title to a Unit, provided that an Owner may delegate his or her right of enjoyment of such personal property to residents of his or her Unit. A transfer of title to a Unit shall transfer to the transferee Ownership of the transferor's beneficial interest in such property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of other Owners. The transfer of title to a Unit under foreclosure shall entitle the purchaser to the beneficial interest in such personal property associated with the foreclosed Unit.

13 05 Utilities. The Association shall maintain, replace and repair sewer and water lines on Units from the street to the foundation of each Dwelling

14 00 OWNERS' MAINTENANCE

14.01 Upkeep and Maintenance. Each Owner shall be responsible for the upkeep and maintenance of the Owner's Unit, including, but not limited to the garage and all other areas, features or parts of the Owner's Unit to the extent not otherwise maintained by the Association, and each Owner shall maintain the same free of hazardous substances, vermin, cockroaches, pests and debris which may pose a threat to the health or safety of occupants of other Units. Every Owner must perform promptly all cleaning, maintenance and repair work within his or her Dwelling, which, if omitted, would affect another Unit or Units, being expressly

responsible for the damages and liabilities that the Owner's failure to do so may engender. Without limiting the generality of the foregoing, the Association may require an Owner to remove offending items, or to use a professional exterminator, and upon failure of the Owner so to do, the Association, after reasonable notice, may enter the Unit with a professional exterminator or other appropriate contractor and take corrective action, charging the Owner of such Unit for the reasonable cost thereof. An Owner shall do no act nor any work that will impair the structural soundness or integrity of a multi-family structure or an adjoining Dwelling, or impair any easement or hereditament, nor do any act nor allow any condition to exist which will adversely affect the other Units or their Owners.

14.02 Heating of Dwellings. For the purpose of preventing damage to and breakage of water, sewer and other utility lines and pipes in a Dwelling which might result in damage to the adjoining Dwelling, all Owners shall maintain the temperature in their Dwelling, at all times, at least at fifty-five (55) degrees Fahrenheit (or such other reasonable temperature or standard as the Board of Directors may from time to time specify by written rule), subject, however, to the inability to maintain such temperature due to causes beyond the Owner's reasonable control. Any damage resulting from the refusal or failure of an Owner so to maintain such minimum temperature may be repaired by the Association and (unless due to causes beyond the Owner's reasonable control) the cost thereof assessed against the Unit of the refusing or failing Owner. However, if the failure to maintain such minimum temperature is due to causes beyond the Owner's reasonable control, the cost of such repair shall be a Common Expense. Nothing contained herein shall be construed to impose an obligation to undertake any such repairs (unless it is so obligated pursuant to another section of this Declaration). The Association may by rule require Dwellings which are unoccupied for substantial periods of time during winter to use alarms which will detect abnormally low temperatures.

15.00 INSURANCE, CASUALTY, CONDEMNATION AND REBUILDING

15.01 Association's Policies. Section 515B.3-113 of the Act requires the Association to maintain casualty insurance coverage on the Common Elements and, because Units or structures within Units in this Common Interest Community share contiguous walls, siding and roofs, also on the Units or structures within those Units. The same section also requires general liability coverage, authorizes the Association to carry any other insurance it considers appropriate, specifies minimum notice from an insurer prior to cancellation, specifies other provisions for such insurance, requires the Association or an insurance trustee to adjust all losses, and describes the Association's duty with respect to repair or rebuilding after casualty to Common Elements or Units. The provisions of the Act described in this paragraph may not be varied or waived, but are hereby supplemented, as follows:

- (a) The Association shall carry worker's compensation insurance whenever it has eligible employees.
- (b) The Association may carry fidelity insurance and shall do so whenever required by a holder, insurer or guarantor of a mortgage encumbering a Unit.
- (c) The Association may enter into binding agreements with one or more holders, insurers or guarantors of mortgages obligating the Association to keep specified coverages in effect for specified periods and to notify a holder, insurer or guarantor of any changes to coverage.
- (d) The Association shall also carry insurance with additional endorsements, coverages and limits and against other hazards as may be required from time to time by the regulations of a holder, insurer or guarantor of a mortgage encumbering a Unit.
- (e) The Association shall make every effort to procure its insurance from an insurance carrier licensed to do business in the State of Minnesota with ratings of A-Xi as established by Best's Insurance Reports, if such a company is available, or if not available, its equivalent rating or the best rating possible
- (f) The Association shall make every effort to procure its insurance with a deductible which does not exceed the maximum allowed from time to time by the regulations of a holder, insurer or guarantor of a mortgage encumbering a Unit

15.02 Owners' Individual Policies. The property insurance coverage furnished by the Association may, but need not cover the following items within the Units. (i) ceiling or wall finishing materials, (ii) floor coverings, (iii) cabinetry, (iv) finished millwork, (v) electrical or plumbing fixtures serving a single Unit, (vi) built-in appliances, or (vii) other improvements or betterments, regardless of when installed. Each Owner should carry insurance for his or her own benefit insuring the Owner's personal liability and items not covered by the Association's policy, provided that all such policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished by reason of any such additional insurance carried by any Owner.

15.03 Improvements and Betterments. If any improvements and betterments are covered by the insurance procured by the Association, any increased cost may be assessed against the Units affected. If the Trustee or mortgagee undertakes the reconstruction or remodeling of a Dwelling as above provided, the same need be

restored only to substantially the same condition as the Dwelling was as of the completion of original construction.

15.04 Condemnation and Eminent Domain In the event of a taking of any part of the Property by condemnation or eminent domain, the provisions of the Act shall govern. Notice shall be given to first Mortgagees as provided in this Declaration. Mortgagees shall be entitled to priority for condemnation awards in accordance with the priorities established by the Act or Governing Documents, as their interests may appear.

15.05 Premiums; Deductibles Insurance premiums paid by the Association shall be assessed as a Common Expense. The Association may, in the case of a claim of damage to a Unit, (i) pay the deductible amount as a Common Expense, (ii) assess the deductible amount against the Units affected in any reasonable manner, or (iii) require the Owners of the Units affected to pay the deductible amount directly.

16.00 ARCHITECTURAL RESTRICTIONS

16.01 Architectural Control Committee Authority. No residential or other building, and no fence, wall, patio, garage, outbuilding or other structure, nor any wire, pipe, cesspool, septic tank, well, path, walkway, tree, hedge, driveway, aerial, antenna, or exterior ornament or improvement of any kind, nor any addition, removal, alteration, raising, lowering, or remodeling thereof, including change of color, repainting or redecorating of the exterior, shall be made, erected, altered, placed or permitted to remain on any portion of the Property unless and until detailed plans and specifications and proposals, including plans which show the external design, the colors and color scheme, the decoration, the construction, and the materials to be used in construction, the dimensions, and the location and approximate cost of the same shall have been submitted to and approved in writing by an Architectural Control Committee (hereinafter described) as to harmony of the external design and location in relation to surrounding buildings in the subdivision and as to general appearance and quality.

In the event said Committee fails to approve or disapprove such design and location within fifteen (15) days after said plans and specifications have been submitted to it (in such reasonable detail as the Committee may require), or if no suit to enjoin the making of such construction, removal, additions, alterations, or changes has been commenced within thirty (30) days of such submission, such approval will be deemed to have been given. If no such submission has been made to the Architectural Control Committee or its representatives, suit to enjoin or remove such additions, alterations or changes may be instituted at any time by the Association or any Owner. The Board of Directors, on request, will issue a certificate as to the state of compliance or noncompliance of a particular Unit, and any such certificate will be binding as to third parties. Any deviation from said plans and specifications as approved which in the judgment of the said Committee is a substantial change or a detriment to the appearance of the structure or of the

surrounding area shall be corrected to conform to the plans and specifications as submitted.

Any improvements or alterations to a Unit must, in any event, be made in compliance with the provisions of applicable law and must not impair the structural integrity or mechanical systems, affect the Common Elements or impair the support of any portion of the Common Interest Community. Any Owner making improvements or alterations must make prior arrangements with the Association to ensure that other Unit Owners are not disturbed and that the Common Elements and other Units are protected against Mechanic's Liens.

16.02 Prompt Completion. Every structure must be erected and completed within eighteen (18) months of approval, or new approval obtained. If any structure is begun, and is not completed within eighteen (18) months after the commencement of construction, and in the judgment of the Architectural Control Committee is by reason of its incomplete state of offensive or unsightly appearance, the Committee, at its discretion after ten (10) days written notice to the Owner of the Unit, may take such steps as may be necessary, in its judgment, to improve the appearance so as to make the Unit harmonious with neighboring properties, including entering upon the Unit, completion of the exterior of the structure, screening or covering of the structure, or any combination thereof or similar operation, and the amount of any expenditure made in so doing shall be a lien on the Unit enforceable in like manner as assessments hereunder.

16.03 Declarant's Rights Nothing herein contained shall be deemed to prohibit Declarant from making changes to the plans, specifications, and appearance of buildings constructed from time to time on vacant Units, but all buildings shall be consistent in terms of quality and harmonious in general appearance with previously constructed buildings. During the period of Declarant control, the decisions of the Architectural Control Committee must have the written approval of the Declarant.

16.04 Composition of Committee. The Architectural Control Committee shall be the Board of Directors of the Association, or a committee of three or more persons so designated by the Board.

16.05 Restoration in Accordance with Original Plans. Any restoration or repair of the exterior of the Dwelling after a partial condemnation or damage due to an insurable hazard, shall be performed substantially in accordance with the Declaration and the original plans and specifications, unless other action is approved by the Architectural Control Committee and by owners and mortgagees holding mortgages on Units as provided in the Governing Documents.

16.06 Removal and Abatement. The Architectural Control Committee or the Board shall have the right to order an Owner to remove or alter any structure on any Unit erected in violation of the terms of this Declaration, and to employ

appropriate judicial proceedings to compel the alteration or demolition of any nonconforming construction or other violation; or take whatever steps are deemed necessary to cure such violation. Any cost incurred by the Architectural Control Committee shall be levied as a Maintenance Assessment as provided in Section 10.04 above.

16.07 Exterior Lighting. All exterior lighting fixtures and standards shall be shown on submitted plans and shall comply with the overall lighting plan of the Declarant. All forms of exterior lighting shall be subject to approval of the Architectural Control Committee.

16.08 Exterior Ornaments. Exterior ornaments, including, but not limited to, pre-cast concrete, plastic or wood figurines, wishing wells and windmills shall be prohibited unless approved by the Architectural Control Committee prior to installation or construction.

16.09 Awnings. No awnings or shades shall be erected over and outside of the windows, nor shall any articles or structures be hung or placed on any outside windowsills without the prior written consent of the Architectural Control Committee.

16.10 Antennae. Except with prior written approval of the Architectural Control Committee, no exterior television, radio or satellite or microwave antenna of any sort shall be erected or maintained upon any Unit. The Architectural Control Committee may adopt rules or regulations regulating and placement of such antenna and may change its rules or regulations from time to time, all in its discretion.

No such regulation shall, however, unreasonably delay, prevent or increase the cost of installation, maintenance or use of an antenna that is one meter or less in diameter measurement, as defined in 47 CFR 1.400 (a) (1) (Small Antennae”) upon any portion of a Unit which is in the exclusive use or control of the Owner, or preclude reception of an acceptable quality signal by such an antenna, unless necessary in the Architectural Control Committee’s discretion, to prevent (i) interference with access by fire or other emergency services, personnel or vehicles, or delivery of such services; (ii) damage or unreasonable wear and tear on the Units or Common Elements; or (iii) pose a safety hazard to owner, occupants or the public. All regulations of Small Antennae must be applied to the extent practicable, in a non-discriminatory manner to other appurtenances, devices, and fixtures that are comparable in size, weight and appearance to such Small Antennae. It is the intent of this section to permit regulation of antennae to the fullest extent allowed under local, state or federal law, ordinance or regulation, but permit no such regulation which would violate the same.

16.11 Rules and Regulations Governing Improvements. The Board of Directors and Architectural Control Committee may promulgate rules and regulations to

enforce the terms of this Article 16. Nothing contained in this Declaration shall, however, prohibit an Owner from making, at its expense, improvements or alterations to the Unit necessary for the full enjoyment of the Unit by any person residing in the Unit who has a handicap or disability, as provided in the Fair Housing Amendments Act, 42 U.S.C. § 3601 et seq., and the Minnesota Human Rights Act, Minnesota Statutes Chapter 363, et seq., and any amendments thereto. ("Accommodations"). The Board of Directors and Architectural Control Committee may, however, regulate the type, style, and quality of the Accommodations as they relate to health, safety and architectural standards. The Accommodations must also be made in compliance with the provisions of applicable law and must not impair the structural integrity or mechanical systems, affect the Common Elements or impair the support of any portion of the Common Interest Community. Any Owner making improvements or alterations must make prior arrangements with the Association to ensure that other Unit Owners are not disturbed and that the Common Elements and other Units are protected against Mechanic's Liens.

17.00 RENTAL RESTRICTIONS

17.01 Any lease between an Owner and a lessee shall provide that the terms of the lease shall be subject in all respects to the provisions of the Governing Documents, and that any failure by the lessee to comply with the terms of such documents shall be a default under the lease. A lease must be for an entire Dwelling, not a portion thereof. All leases shall be in writing. No lease may be for a period of less than seven (7) days. Other than the foregoing, there shall be no restrictions on the right of any Owner to lease his or her Unit.

18.00 GENERAL RESTRICTIONS

18.02 Prohibition of Damage and Certain Activities. Nothing shall be done or kept on any Unit or any part thereof which would increase the rate of insurance on the Property or any part thereof over what the Association, but for such activity, would pay, without the prior written consent of the Board. Nothing shall be done or kept on any Unit or any part thereof which would be in violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Dwelling or the Unit shall be committed by any Owner or any invitee of any Owner, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused to the Association or other Owners by such Owner or the Owner's invitees. No noxious, destructive or offensive activity shall be allowed on any Units or any part thereof, nor shall anything be done thereon which may be or may become a nuisance to any other Owner or to any other person at any time lawfully residing on the Property. Upon the petition of seventy-five percent (75%) of the Owners of Units located within seventy-five (75) feet of the Unit in which resides a specified animal, the Board may order the removal of a particular dog for constant and uncontrolled barking, or of any particular animal for repeated instances of wandering unleashed or other repeated behavior reasonably offensive to others, provided that the Owner of the Unit harboring the animal shall first have thirty (30) days' written notice in which to correct the offensive behavior.

18.05 Prohibited Structures. No structure of a temporary character, trailer, boat, camper-bus, basement, tent, or shack shall be maintained on any Unit nor shall any garage or other building, except a permanent residence, be used at any time as a residence or sleeping quarters, either temporarily or permanently. - (a) Designations, in such styles and materials as the Board shall by regulation approve, of street addresses and names of occupants,
- (b) A "For Sale" sign may be displayed provided that it is in such styles and materials as the Board shall by regulation approve, and
- (c) Declarant shall be permitted to erect and maintain upon the Real Estate such signs as it deems necessary to advertise the development during the construction and sale periods.

Without limiting the generality of the foregoing, the Board of Directors may by resolution prohibit the distinctive and particular "For Sale" signs used by real estate brokers and agents.
