SECTION 2

DESCRIPTION OF UNITS, BOUNDARIES AND RELATED EASEMENTS

2.1 Units. There are seven Units, subject to the right of the Declarant to add additional Units pursuant to Section 18. All Units are restricted exclusively to residential use. Each Unit constitutes a separate parcel of real estate. No additional Units may be created by the subdivision or conversion of Units pursuant to Section 515B.2-112 of the Act. The Unit identifiers and locations of the Units are as shown on the Plat, which is incorporated herein by reference. The Unit identifier for a Unit is its lot and block numbers and the subdivision name.

2.2 Unit Boundaries. The front, rear and side boundaries of each Unit shall be the boundary lines of the platted lot upon which the Dwelling is located or intended to be located, as shown on the Plat. The Units shall have no upper or lower boundaries. Subject to this Section 2 and Section 3.2, all spaces, walls, and other improvements within the boundaries of a Unit are a part of the Unit.

2.3 Access Easements. Each Unit, including each Unit added from the Additional Real Estate, shall be the beneficiary of a perpetual appurtenant easement for access to a public street or highway on or across those portions of the Common Elements paved for use as streets, as shown on the Plat, subject to any restrictions set forth in the Governing Documents or the Rules and Regulations.

2.4 Use and Enjoyment Easements. Each Unit shall be the beneficiary of perpetual appurtenant easements for use and enjoyment on and across the Common Elements, and for use and enjoyment of any Limited Common Elements allocated to the Unit, subject to any restrictions authorized by the Governing Documents.

2.5 Utility and Maintenance Easements. Each Unit shall be subject to and shall be the beneficiary of perpetual appurtenant easements for all services and utilities servicing the Units and the Common Elements, and for maintenance, repair and replacement as described in Section 13. Without limiting the foregoing, the Common Elements shall be subject to a specific easement for the operation and maintenance of water lines, as described in Section 13.3.

2.6 Encroachment Easements. Each Unit shall be subject to and shall be the beneficiary of perpetual appurtenant easements for encroachments as described in Section 13.

2.7 Declarant's Easements. Declarant shall have and be the beneficiary of easements for the exercise of special declarant rights described in Section 17.

2.8 Roadway Access Easements. The Common Elements shall be subject to an appurtenant easement for roadway access in favor of the owners and occupants of any part of the Additional Real Estate which is not added to the Property, as described in Section 13.

2.9 Recorded Easements. The Property shall be subject to such other easements as may be recorded against it or otherwise shown on the Plat.

2.10 Recreational Easement. A portion of the Common Elements shall be subject to a non-exclusive easement for recreational use and enjoyment as a pedestrian trail for the benefit of the living units, and the owners thereof, in Carla De Fourth Townhomes. Carla De Fourth Townhomes is the planned community located directly to the south of Carla De Fifth Townhomes. The Declaration of Easements establishing and describing said easement is recorded in the office of the County Recorder in and for Anoka County, Minnesota as Document No. 1555334

2.11 Easements are Appurtenant. All easements and similar rights burdening or benefiting a Unit or any other part of the Property shall run with the land, and shall be permanent, subject only to termination in accordance with the Act or the terms of the easement. Any recorded easement benefiting or burdening the Property shall be construed in a manner consistent with, and not in conflict with, the easements created by this Declaration.

2.12 Impairment Prohibited. No Person shall restrict or impair any easement benefiting or burdening the Property, or any equipment or improvements relating to the easement, subject to the Declaration and the right of the Association to establish and enforce reasonable Rules and Regulations governing the use of the Property.

2.13 Benefit of Easements. All easements benefitting a Unit shall benefit the Owners and Occupants of the Unit, and their families and guests. However, an Owner who has delegated the right to occupy the Unit to an Occupant or Occupants, whether by a lease or otherwise, does not have the use and other easements rights in the Property during such delegated occupancy, except as a guest of an Owner or Occupant or in connection with the inspection of the Unit or recovery of possession of the Unit from the Occupant pursuant to law.

SECTION 3

COMMON ELEMENTS, LIMITED COMMON ELEMENTS AND OTHER PROPERTY

3.1 Common Elements. The Common Elements and their characteristics are as follows:

3.1.1 All of the Property not included within the Units constitutes Common Elements. The Common Elements include, but are not limited to, all areas and items listed in this Section 3, and those parts of the Property described in Exhibit B attached hereto or designated as Common Elements on the Plat or in the Act. The Common Elements are owned by the Association for the benefit of the Owners and Occupants.

3.1.2 The Common Elements shall be subject to (i) certain easements as described in this Declaration and any other easements recorded against the Common Elements; (ii) the rights of Owners and Occupants in Limited Common Elements appurtenant to their respective Units; and (iii) the right of the Association to establish reasonable Rules and Regulations governing the use of the Property.

3.1.3 Except as otherwise expressly provided in the Governing Documents, all maintenance, repair, replacement, management and operation of the Common Elements shall be the responsibility of the Association.

3.1.4 Common Expenses for the maintenance, repair, replacement, management and operation of the Common Elements shall be assessed and collected from the Owners in accordance with Section 6.

3.2 Limited Common Elements. The Limited Common Elements are those parts of the Common Elements reserved for the exclusive use of the Owners and Occupants of the Units to which they are allocated. The rights to the use and enjoyment of the Limited Common Elements are automatically conveyed with the conveyance of such Units. The Limited Common Elements are described and allocated to the Units, as follows:

3.2.1 Those items or areas designated as Limited Common Elements on the Plat or by the Act.

3.2.2 Chutes, flues, ducts, pipes, wires, conduit or other utility installations, bearing walls, bearing columns, or any other components or fixtures lying partially within and partially outside the boundaries of a Unit, and serving only that Unit, are allocated to the Unit they serve. Any portion of such installations serving or affecting the function of more than one Unit or any portion of the Common Elements is a part of the Common Elements, but is not a Limited Common Element.

3.2.3 Improvements, if any, such as decks, patios, porches, balconies, shutters, awnings, window boxes, doorsteps, stoops, perimeter doors and windows, constructed as part of the original construction to serve a single Unit, and replacements and modifications thereof authorized pursuant to Section 8, if located outside the Unit's boundaries, are Limited Common Elements allocated exclusively to that Unit.

3.2.4 Heating, ventilating or air conditioning equipment serving only a certain Unit or Units, and located wholly or partially outside the Unit or Unit's boundaries, are Limited Common Elements allocated to the Unit or Units served by such equipment.

3.3 Annexation of Other Property. In addition to the Additional Real Estate annexed by Declarant, other real property may be annexed to the common interest community as Units or Common Elements, or any combination thereof, and subjected to this Declaration, with the approval of (i) Owners (other than Declarant) of Units to which are allocated at least sixty-seven percent of the votes in the Association and (ii) Declarant so long as Declarant owns any unsold Unit for sale.

SECTION 4

ASSOCIATION MEMBERSHIP: RIGHTS AND OBLIGATIONS

Membership in the Association, and the allocation to each Unit of a portion of the votes in the Association and a portion of the Common Expenses of the Association, shall be governed by the following provisions:

4.1 Membership. Each Owner shall be a member of the Association solely by reason of owning a Unit, and the membership shall be transferred with the conveyance of the Owner's interest in the Unit. An Owner's membership shall terminate when the Owner's ownership terminates. When more than one Person is an Owner of a Unit, all such Persons shall be members of the Association, but multiple ownership of a Unit shall not increase the voting rights allocated to such Unit nor authorize the division of the voting rights.

4.2 Voting and Common Expenses. Voting rights and Common Expense obligations are allocated equally among the Units, subject to Sections 6.4 and 6.7.

4.3 Appurtenant Rights and Obligations. The ownership of a Unit shall include the voting rights and Common Expense obligations described in Section 4.2. Said rights and obligations, and the title to the Units, shall not be separated or conveyed separately, and any conveyance, encumbrance, judicial sale or other transfer of any allocated interest in a Unit, separate from the title to the Unit shall be void. The allocation of the rights and obligations described in this Section may not be changed, except in accordance with the Governing Documents and the Act.

4.4 Authority to Vote. The Owner, or some natural Person designated to act as proxy on behalf of the Owner, and who need not be an Owner, may cast the vote allocated to such Unit at meetings of the Association. However, if there are multiple Owners of a Unit, only the Owner or other Person designated pursuant to the provisions of the Bylaws may cast such vote. The voting rights of Owners are more fully described in Section 3 of the Bylaws.

SECTION 5

ADMINISTRATION

The administration and operation of the Association and the Property, including but not limited to the acts required of the Association, shall be governed by the following provisions:

5.1 General. The operation and administration of the Association and the Property shall be governed by the Governing Documents, the Rules and Regulations, and the Act. The Association shall, subject to the rights of the Owners set forth in the Governing Documents and the Act, be responsible for the operation, management and control of the Property. The Association shall have all powers described in the Governing Documents, the Act and the statute under which the Association is incorporated. All power and authority of the Association shall be vested in the Board, unless action or approval by the individual Owners is specifically required by the Governing Documents or the Act. All references to the Association shall mean the Association acting through the Board, unless specifically stated to the contrary.

5.2 Operational Purposes. The Association shall operate and manage the Property for the purposes of (i) administering and enforcing the covenants, restrictions, easements, charges and liens set forth in the Governing Documents and the Rules and Regulations, (ii) maintaining, repairing and replacing those portions of the Property for which it is responsible and (iii) preserving the value, and the architectural uniformity and character, of the Property.

5.3 Binding Effect of Actions. All agreements and determinations made by the Association in accordance with the powers and voting rights established by the Governing Documents or the Act shall be binding upon all Owners and Occupants, and their lessees, guests, heirs, personal representatives, successors and assigns, and all secured parties as defined in the Act.

5.4 Bylaws. The Association shall have Bylaws. The Bylaws shall govern the operation and administration of the Association, and shall be binding on all Owners and Occupants.

5.5 Management. The Board may delegate to a manager or managing agent the management duties imposed upon the Association's officers and directors by the Governing Documents and the Act. However, such delegation shall not relieve the officers and directors of the ultimate responsibility for the performance of their duties as prescribed by the Governing Documents and by law.

5.6 Rules and Regulations. The Board shall have exclusive authority to approve and implement such reasonable Rules and Regulations as it deems necessary from time to time for the purpose of operating and administering the affairs of the Association and regulating the use of the Property; provided, that the Rules and Regulations shall not be inconsistent with the Governing Documents or the Act. The inclusion in other parts of the Governing Documents of authority to approve Rules and Regulations shall be deemed to be in furtherance, and not in limitation, of the authority granted by this Section. New or amended Rules and Regulations shall be effective only after reasonable notice thereof has been given to the Owners.

5.7 Association Assets; Surplus Funds. All funds and real or personal property acquired by the Association shall be held and used for the benefit of the Owners for the purposes stated in the Governing Documents. Surplus funds remaining after payment of or provision for Common Expenses and reserves shall be credited against future assessments or added to reserves, as determined by the Board.

5.8 Resale Disclosure Certificates. Pursuant to Section 515B.4-107 of the Act, in the event of a resale of a Unit by a Owner other than Declarant, that Owner shall furnish to the purchaser a resale disclosure certificate containing the information required by Section 515B.4-107(b) of the Act. Pursuant to Section 515B.4-107(d) of the Act, the Association, within ten days after a request by an Owner or the Owner's authorized representative, shall furnish the resale disclosure certificate. The Association may charge a reasonable fee for furnishing the resale disclosure certificate and any documents related thereto.

SECTION 6

ASSESSMENTS

6.1 General. Assessments shall be determined and assessed against the Units by the Board, in its discretion, subject to the requirements and procedures set forth in this Section 6 and the Bylaws. Assessments shall include annual Assessments under Section 6.2, and may include special Assessments under Section 6.3 and limited Assessments under Section 6.4. Annual and special Assessments shall be allocated among the Units equally, in accordance with the allocation formula set forth in Section 4.2. Limited Assessments under Section 6.4 shall be allocated to Units as set forth in that Section.

6.2 Annual Assessments. Annual Assessments shall be established and levied by the Board, subject to the limitations set forth hereafter.

6.2.1 Each annual Assessment shall cover all of the anticipated Common Expenses of the Association for that year which are to be shared equally by all Units in accordance with the allocation set forth in Section 4.2. Annual Assessments shall be payable in equal monthly or quarterly installments, as established by the Board. Annual Assessments shall provide, among other things, for an adequate reserve fund for the maintenance, repair and replacement of the Common Elements and those parts of the Units for which the Association is responsible.

6.2.2 Except for the variations authorized by Section 6.4, and except for premiums on insurance carried by the Association, the increase in the annual Assessment for any fiscal year shall not exceed the greater of (i) five percent of the previous years annual Assessment or (ii) the percentage increase in the National Bureau of Labor Statistics Consumer Price Index for the Minnesota Twin City Metropolitan Area (or comparable index if not available) for the most recent available year, multiplied times the previous year's Assessment; unless the increase is approved (i) by the vote of sixty-seven percent of those Owners (other than Declarant) voting, in person or by proxy, at a meeting called for that purpose, or voting by mail, and (ii) by Declarant. Notice of the meeting shall be sent to all Owners not less than twenty-one days nor more than thirty days in advance of the meeting. The foregoing approval requirements shall apply only during the Declarant Control Period.

6.3 Special Assessments. In addition to annual Assessments, and subject to the limitations set forth hereafter, the Board may levy in any Assessment year a special Assessment against all Units equally in accordance with the allocation formula set forth in Section 4.2, and for the purposes described in this Declaration. Among other things, special assessments shall be used for the purpose of defraying in whole or in part the cost of any unforeseen and unbudgeted Common Expense. Notwithstanding the foregoing, any special Assessment shall be subject to approval (i) by the vote of sixty-seven percent of the Owners (other than Declarant) voting, in person or by proxy, at a meeting called for that purpose, or voting by mail, and (ii) by Declarant. Notice of the meeting shall be sent to all Owners not less than twenty-one days nor more than thirty days in advance of the meeting. The foregoing approval requirements shall apply only during the Declarant Control Period.

6.4 Limited Assessments. In addition to annual Assessments and special Assessments, the Board has the authority to levy and allocate limited Assessments among only certain Units in accordance with the following requirements and procedures:

6.4.1 Any Assessment associated with the maintenance, repair, or replacement of a Limited Common Element shall be assessed exclusively against the Unit or Units to which that Limited Common Element is assigned.

6.4.2 Any Assessment or portion thereof benefiting fewer than all of the Units may, at the Board's discretion, be assessed exclusively against the Unit or Units benefited. The maintenance, repair or replacement of Limited Common Elements shall be deemed to "benefit" only the Unit or Units to which the Limited Common Elements are assigned.

6.4.3 The costs of insurance may be assessed in proportion to the square footage or actual cost per Unit, and the costs of common utilities may be assessed in proportion to usage.

6.4.4 Reasonable attorneys' fees and other costs incurred by the Association in connection with (i) the collection of Assessments and (ii) the enforcement of the Governing Documents, the Act, or the Rules and Regulations, against an Owner or Occupant or their guests, may be assessed against the Owner's Unit.

6.4.5 Late charges, fines and interest may be assessed as provided in Section 14.

6.4.6 Assessments levied under Section 515B.3-116(a) of the Act to pay a judgment against the Association may be levied only against the Units existing at the time the judgment was entered, in proportion to their Common Expense liabilities.

6.4.7 If any damage to the Common Elements or another Unit is caused by the act or omission of any Owner or Occupant, or their guests, the Association may assess the costs of repairing the damage exclusively against the Owner's Unit to the extent not covered by insurance.

6.4.8 If any Assessment or installment of an Assessment becomes more than thirty days past due, then the Association may, upon at least ten days' written notice to the Owner, declare the entire amount of the Assessment immediately due and payable in full.

6.4.9 If Common Expense liabilities are reallocated for any purpose authorized by the Act, Assessments and any installment thereof not yet due shall be recalculated in accordance with the reallocated Common Expense liabilities.

Assessments levied under Sections 6.4.1 through 6.4.7 may, at the Board's discretion, be assessed as a part of, or in addition to, the Assessments levied under Section 6.

6.5 Working Capital Fund. There shall be established a working capital fund to meet unforeseen expenditures or to purchase additional equipment or services during the Association's beginning years of operation. The Board shall include in each subsequent annual budget a

reasonable amount of working capital, based upon the anticipated needs of the Association for the year in question. There shall be contributed, on a one-time basis for each Unit sold, an amount equal to two months installments of the estimated annual Assessment for the Unit. The contribution shall be paid at the earlier of the time of closing of sale of the Unit or the time of termination of the Declarant Control Period. The contributions to this fund are in addition to the regular installments of annual Assessments. The funds shall be deposited into a segregated Association account no later than the termination of the Declarant Control Period. However, upon the closing of the initial sale of a Unit, Declarant may reimburse itself from funds collected from the purchaser at the closing for any contributions made by Declarant to the working capital fund with respect to that Unit. Declarant shall not use the funds to defray any of its expenses, reserve contributions or construction costs, nor to make up any budget deficit during the Declarant Control Period.

6.6 Liability of Owners for Assessments. Subject to Section 6.7, the obligation of an Owner to pay Assessments shall commence at the later of (i) the time at which the Owner acquires title to the Unit, or (ii) the due date of the first Assessment levied by the Board, subject to the alternative Assessment program described in Section 6.7. The Owner at the time an Assessment is payable with respect to the Unit shall be personally liable for the share of the Common Expenses assessed against such Unit. Such liability shall be joint and several where there are multiple Owners of the Unit. The liability is absolute and unconditional. No Owner is exempt from liability for payment of Assessments by right of set-off, by waiver of use or enjoyment of any part of the Property, by absence from or abandonment of the Unit, by the waiver of any other rights, or by reason of any claim against the Association or its officers, directors or agents, or for their failure to fulfill any duties under the Governing Documents or the Act. The Association may invoke the charges, sanctions and remedies set forth in Section 14, in addition to any remedies provided elsewhere in the Governing Documents, the Rules and Regulations, or by law, for the purpose of enforcing its rights hereunder.

6.7 Declarant's Alternative Assessment Program. The following alternative Assessment program is established pursuant to Section 515B.3-115(a)(2) of the Act. Notwithstanding anything to the contrary in this Section 6, if a Common Expense Assessment has been levied, any unsold Unit owned by Declarant shall be assessed at the rate of twenty-five percent of the Assessments levied on other Units of the same type until a certificate of occupancy or comparable approval has been issued with respect to such Unit by the municipality in which the Unit is located. This reduced Assessment shall apply to each Unit owned by Declarant at the time that the Unit is created, and shall terminate with respect to each such Unit upon the issuance of the certificate of occupancy for the Unit. Although this alternative Assessment program will not affect the allocated share of replacement reserves attributable to Units owned by Declarant, there are no assurances that there will be no effect on the level of services for items set forth in the Association's budget.

6.8 Assessment Lien. The Association has a lien on a Unit for any Assessment levied against that Unit from the time the Assessment becomes due. If an Assessment is payable in installments, the full amount of the Assessment is a lien from the time the first installment thereof becomes due. Fees, charges, late charges, fines and interest charges imposed by the Association pursuant to Section 515B.3-102(a)(10), (11) and (12) of the Act are liens, and are enforceable as Assessments, under this Section 6. Recording of the Declaration constitutes record notice and perfection of any lien under this Section 6, and no further recordation of any notice of or claim for

the lien is required. The release of the lien shall not release the Owner from personal liability unless agreed to in writing by the Association.

6.9 Foreclosure of Lien; Remedies. A lien for Assessments may be foreclosed against a Unit under the laws of the state of Minnesota (i) by action, or (ii) by advertisement in a like manner as a mortgage containing a power of sale. The Association, or its authorized representative, shall have the power to bid in at the foreclosure sale and to acquire, hold, lease, mortgage and convey any Unit so acquired. The Owner and any other Person claiming an interest in the Unit, by the acceptance or assertion of any interest in the Unit, grants to the Association a power of sale and full authority to accomplish the foreclosure. The Association shall, in addition to its other remedies, have the right to pursue any other remedy at law or in equity against the Owner who fails to pay any Assessment or charge against the Unit.

6.10 Lien Priority; Foreclosure. A lien for Assessments is prior to all other liens and encumbrances on a Unit except (i) liens and encumbrances recorded before the Declaration, (ii) any first mortgage on the Unit, and (iii) liens for real estate taxes and other governmental Assessments or charges against the Unit. Notwithstanding the foregoing, if (1) a first mortgage on a Unit is foreclosed, (2) the first mortgage was recorded on or after the date of recording of this Declaration, and (3) no Owner redeems during the Owner's period of redemption provided by Minnesota Statutes Chapters 580, 581, or 582, then the holder of the sheriff's certificate of sale from the foreclosure of the first mortgage shall take title to the Unit subject to a lien in favor of the Association for unpaid Assessments or installments thereof levied pursuant to Sections 515B.3-115(a), (e)(1) to (3), (f), and (i) of the Act which became due, without acceleration, during the six months immediately preceding the first day following the end of the Owner's period of redemption.

6.11 Voluntary Conveyances; Statement of Assessments. In a voluntary conveyance of a Unit the buyer shall not be personally liable for any unpaid Assessments and other charges made by the Association against the seller or the seller's Unit prior to the time of conveyance to the buyer, unless expressly assumed by the buyer. However, the lien of such Assessments shall remain against the Unit until released. Any seller or buyer shall be entitled to a statement, in recordable form, from the Association setting forth the amount of the unpaid Assessments against the Unit, including all Assessments payable in the Association's current fiscal year, which statement shall be binding on the Association, seller and buyer.

SECTION 7

RESTRICTIONS ON USE OF PROPERTY

All Owners and Occupants, and all secured parties, by their acceptance or assertion of an interest in the Property, or by their occupancy of a Unit, covenant and agree that, in addition to any other restrictions which may be imposed by the Act or the Governing Documents, the occupancy, use, operation, alienation and conveyance of the Property shall be subject to the following restrictions:

7.1 General. The Property shall be owned, conveyed, encumbered, leased, used and occupied subject to the Governing Documents and the Act, as amended from time to time. All covenants, restrictions and obligations set forth in the Governing Documents are in furtherance of

a plan for the Property, and shall run with the Property and be a burden and benefit to all Owners and Occupants and to any other Person acquiring or owning an interest in the Property, their heirs, personal representatives, successors and assigns.

7.2 Subdivision Prohibited. Except as permitted by the Act, no Unit nor any part of the Common Elements may be subdivided or partitioned without the prior written approval of all Owners and all secured parties holding first mortgages on the Units.

7.3 Residential Use. The Units shall be used by Owners and Occupants and their guests exclusively as private, single family residential dwellings, and not for transient, hotel, commercial, business or other non-residential purposes, except as provided in Section 7.4. Any lease of a Unit (except for occupancy by guests with the consent of the Owner) for a period of less than thirty days, or any occupancy which includes services customarily furnished to hotel guests, shall be presumed to be for transient purposes.

7.4 Business Use Restricted. No business, trade, occupation or profession of any kind, whether carried on for profit or otherwise, shall be conducted, maintained or permitted in any Unit or the Common Elements, except:

7.4.1 An Owner or Occupant residing in a Unit may maintain a home occupation in such Unit and handle matters relating to such home occupation by telecommunications or correspondence therefrom; provided, that such uses are incidental to the residential use; do not involve physical alteration of the Unit visible from the exterior; are in compliance with all governmental laws, ordinances and regulations; and do not involve any observable business activity such as signs, advertising displays, regular deliveries, or pedestrian or vehicular traffic to and from the Unit by customers or employees.

7.4.2 The Association may maintain offices on the Property for management and related purposes.

7.4.3 Declarant may maintain offices, sales facilities and other business facilities on the Property in connection with the exercise of its special declarant rights.

7.5 Leasing. Leasing of Units shall be allowed, subject to reasonable regulation by the Association, and subject to the following conditions: (i) no Unit shall be leased for transient or hotel purposes, (ii) no Unit may be subleased, (iii) a Unit must be leased in its entirety (not by room), (iv) all leases shall be in writing, and (v) all leases shall provide that they are subject to the Governing Documents, the Rules and Regulations and the Act, and that any failure of the lessee to comply with the terms of such documents shall be a default under the lease. The Association may impose such reasonable Rules and Regulations as may be necessary to implement procedures for the leasing of Units, consistent with this Section.

7.6 Delegation of Use. An Owner may delegate, in accordance with the Governing Documents, the Owner's right of use and enjoyment of the Unit to Persons living in the Unit pursuant to a legal right of possession; provided, that such Persons shall be subject to the Governing Documents and the Rules and Regulations. If lessees, or other Persons other than the Owner or the Owner's family, have been given the legal right to possess the Owner's Unit, then those Persons shall

have the right to use any common recreational facilities, parking, storage and other amenities on the Property in lieu of the Owner and the Owner's family.

7.7 Parking. Garages and parking areas on the Property shall be used only for parking of vehicles owned or leased by Owners and Occupants and their guests, and such other incidental uses as may be authorized in writing by the Association. A garage shall not be converted to other uses or used for storage or other purposes which would prevent the parking of automobiles or similar vehicles in the garage. The use of garages, driveways and other parking areas on the Property, and the types of vehicles and personal property permitted thereon, shall be subject to regulation by the Association, including without limitation the right of the Association to tow illegally parked vehicles or to remove unauthorized personal property.

7.8 Pets. Only dogs, cats, small birds and fish, and other animals generally recognized as domestic household pets (collectively referred to as "pets") may be kept on the Property, subject to the conditions set forth in this Section.

7.8.1 Rules and Regulations may be adopted by the Association to regulate pets on the Property, including, but not limited to the type and number of pets allowed to be kept in a Unit.

7.8.2 Pets shall be kept solely as domestic household pets and/or as statutorily authorized "service animals" used by handicapped persons, and not for any other purpose. No animal of any kind shall be raised or bred, or kept for business or commercial purposes by any Person upon any part of the Property.

7.8.3 No pet shall be allowed to make an unreasonable amount of noise, nor to become a nuisance or a threat to the safety of others.

7.8.4 Pets shall be housed only within the Dwellings. No structure, fence or enclosure for the care, housing or confinement of any pet shall be constructed or maintained on any part of the Property, except as approved pursuant to Section 8.

7.8.5 Pets shall be under control at all times when outside the Dwelling.

7.8.6 An Owner shall be liable to the Association for the cost of repair of any damage to the Property, or the expenses associated with any personal injury, caused by animals kept within that Owner's Unit.

7.9 Quiet Enjoyment; Interference Prohibited. All Owners and Occupants and their guests shall have a right of quiet enjoyment in their respective Units. The Property shall be occupied and used in such a manner as will not cause a nuisance, nor unduly restrict, interfere with or impede the use and quiet enjoyment of the Property by other Owners and Occupants and their guests.

7.10 Compliance with Law. No use shall be made of the Property which would violate any then existing municipal codes or ordinances, or state or federal laws, nor shall any act or use be permitted which could cause waste to the Property, cause a material increase in insurance rates on

the Property, or otherwise cause any unusual liability, health or safety risk, or expense, for the Association or any Owner or Occupant.

7.11 Alterations. Except for those made by Declarant in consideration of its initial sale of a Unit, no alterations (as defined in Section 8) shall be made, or caused or allowed to be made, in any part of the Common Elements, or in any part of the Unit which affects the Common Elements or another Unit or which is visible from the exterior of the Unit, without the prior written authorization of the Board, or a committee appointed by it, as provided in Section 8.

7.12. Ponds, Wetlands and Trees. Ponds, marshes, wetland areas, vegetation and trees, whether located within the Units or the Common Elements, and whether natural or otherwise, shall be maintained in substantially the same condition as originally established or constructed by the Declarant, subject only to (i) changes authorized by the Association consistent with all statutes, requirements, rules and regulations imposed on such areas and items by governmental authorities having jurisdiction and (ii) the prior approval of any such governmental authorities, if required. No cutting, mowing, trimming, draining, dredging or other alteration of such areas and items shall be permitted, except as authorized by this Section 7.12, it being the intention that such areas and items remain and be maintained in a substantially natural condition, and subject to natural changes.

7.13 Time Shares Prohibited. The time share form of ownership, or any comparable form of lease, occupancy rights, ownership, or right-to-use plans, which has the effect of dividing the ownership or occupancy of a Unit into separate time periods, is prohibited.

7.14 Access to Units. In case of emergency, all Units and Limited Common Elements are subject to entry, without notice and at any time, by an officer or member of the Board, by the Association's management agents or by any public safety personnel. Entry is also authorized for maintenance purposes under Sections 9 and 13, and for enforcement purposes under Section 14.

SECTION 8

ARCHITECTURAL STANDARDS

8.1 Restrictions on Alterations. One of the purposes of this Declaration is to ensure that those parts of the Units which are visible from the exterior be kept architecturally attractive and uniform in appearance. Therefore, except as set forth in Section 8.5, the following restrictions and requirements shall apply to alterations on the Property:

8.1.1 Except as expressly provided in this Section 8, no structure, building, addition, deck, patio, fence, wall, enclosure, window, exterior door, antenna or other type of sending or receiving apparatus, sign, display, decoration, color change, shrubbery, material topographical or landscaping change, nor any other exterior improvements to or alteration of any Dwelling or any other part of a Unit which affects the Common Elements or another Unit, or which is visible from the exterior of the Unit (collectively referred to as "alterations"), shall be commenced, erected or maintained, unless and until the plans and specifications showing the nature, kind, shape, height, color, materials and locations of the alterations shall have been approved in writing by the Board or a committee appointed by it.

Notwithstanding the foregoing, Declarant's written consent shall also be required for alterations until the expiration of the Declarant Control Period described in Section 17.7.

8.1.2 The Board may appoint, supervise and disestablish an architectural committee, and specifically delegate to it part or all of the functions which the Board exercises under this Section 8, in which case the references to the Board shall refer to the architectural committee where appropriate. The architectural committee shall be subject to the supervision of the Board.

8.1.3 The Board shall establish the criteria for approval of alterations, which shall include and require, at a minimum:

8.1.3.1 substantial uniformity of color, location, type and design in relation to existing Dwellings and topography,

8.1.3.2 comparable or better quality of materials as used in existing improvements on the Property,

8.1.3.3 ease of maintenance and repair,

8.1.3.4 adequate protection of the Property, the Association, Owners and Occupants from liability and liens arising out of the proposed alterations,

8.1.3.5 substantial preservation of other Owners' sight lines, if material, and

8.1.3.6 compliance with governmental laws, codes and regulations.

The Board, or the appointed architectural committee if so authorized by the Board, shall be the sole judge of whether such criteria are satisfied.

8.1.4 Approval of alterations which encroach upon another Unit or the Common Elements shall create an appurtenant easement for such encroachment in favor of the Unit with respect to which the alterations are approved, notwithstanding any contrary requirement in the Governing Documents or the Act. A file of the resolutions approving all alterations shall be maintained permanently as a part of the Association's records.

8.2 Review Procedures. The following procedures shall govern requests for alterations under this Section:

8.2.1 Detailed plans, specifications and related information regarding any proposed alteration, in form and content acceptable to the Board, shall be submitted to the Board and to Declarant (if applicable) at least sixty days prior to the projected commencement of construction. No alterations shall be commenced prior to approval.

8.2.2 The Board and Declarant (if applicable) shall give the Owner written notice of approval or disapproval. If the Board and Declarant (if applicable) fail to approve or disapprove within sixty days after receipt of said plans and specifications and all other

information requested by the Board and Declarant (if applicable), then approval shall be deemed to be granted; provided, that the alterations are done in accordance with the plans, specifications and related information which were submitted.

8.2.3 If no request for approval is submitted, approval shall be deemed to be denied.

8.3 Remedies for Violations. The Association may undertake any measures, legal or administrative, to enforce compliance with this Section and shall be entitled to recover from the Owner causing or permitting the violation all attorneys' fees and costs of enforcement incurred by the Association, whether or not a legal action is started. Such attorneys' fees and costs shall be a lien against the Owner's Unit and a personal obligation of the Owner. In addition, the Association shall have the right to enter the Owner's Unit and to restore any part of the Dwelling or Unit to its prior condition if any alterations were made in violation of this Section, and the cost of such restoration shall be a personal obligation of the Owner and a lien against the Owner's Unit.

8.4 Hold Harmless. The Owner who causes an alteration to be made, regardless of whether the alteration is approved by the Board, shall be solely responsible for the construction standards and specifications relating to the alteration, and the construction work. The Owner, and not the Association, is responsible for determining whether any alteration is in violation of any restrictions imposed by any governmental authority having jurisdiction over the Property. The Owner shall hold the Association harmless and indemnify the Association, and its officers and directors, from and against any expenses, claims, damages, losses or other liabilities, including without limitation attorneys' fees and costs of litigation, arising out of (i) any alteration which violates any governmental laws, codes, ordinances or regulations, (ii) the adequacy of the specifications for construction of the alterations and (iii) the construction of the alterations.

8.5 Exemptions. The requirements set forth in this Section 8 (except Section 8.4) shall not apply to the following:

8.5.1 Original construction by Declarant in connection with its sale of Units.

8.5.2 The following antennas may be installed on a Unit, as permitted by applicable federal law: (i) one antenna one meter or less in diameter for the purpose of receiving direct broadcast/satellite service or video programming services, or (ii) any antenna for receiving television broadcast signals; provided, that the Board or an architectural committee appointed by it may require that the antenna be installed so as to minimize its visibility from the front of the Unit and otherwise camouflage its appearance, unless such requirements would unreasonably delay installation, or unreasonably increase the cost of installation, maintenance or use of the antenna, or preclude reception of an acceptable quality signal. Such installation shall be subject to all governmental laws, codes and ordinances. The Board shall have authority to impose further, reasonable requirements consistent with law. The Owner is responsible for all maintenance and repair of any antenna installed on a Unit.

SECTION 9

MAINTENANCE

9.1 Maintenance by Association. The Association shall provide for all maintenance, repair or replacement (collectively referred to as "maintenance") of the Common Elements, including all improvements thereon. In addition, for the purpose of preserving the architectural character, quality, and high standards for appearance of the Property, the Association shall provide for exterior maintenance upon the Dwellings and/or Units as follows:

9.1.1 paint, repair and replace roofs, gutters, downspouts, garage doors and exterior entry doors (except hardware), door and window frames, exterior siding and other building surfaces, driveways, sidewalks, and

9.1.2 provide for lawn, shrub and tree maintenance on the yard areas of the Units, as originally installed, and watering of lawns.

The Association's obligation for exterior maintenance shall, without limitation, exclude foundations and foundation walls, Dwelling walls, floors and ceilings, structural components, interior parts of the Dwellings, door and window hardware, mechanical, electrical, heating, air conditioning and plumbing systems, glass, all parts of decks and patios, and any other items not specifically required to be maintained by the Association, unless otherwise approved under Section 9.2. The Association shall have easements as described in Section 13 to perform its obligations under this Section 9.

9.2 Optional Maintenance by Association. In addition to the maintenance described in Section 9.1, the Association may, with the approval of a majority of the total votes in the Association cast in person or by proxy at a meeting called for such purposes, undertake to provide additional exterior maintenance to the Units or Dwellings, or maintenance of water and sewer systems within the Units.

9.3 Maintenance by Owner. Except for the exterior maintenance required to be provided by the Association under Section 9.1 or 9.2, all maintenance of the Dwellings and Units shall be the sole responsibility and expense of the Owners thereof. The Limited Common Elements allocated to a Unit shall be maintained by the Owner of that Unit. The Association may require that any exterior maintenance to be performed by the Owner be accomplished pursuant to specific uniform criteria established by the Association. The Association may also undertake any exterior maintenance which the responsible Owner fails to or improperly performs, and charge and assess the Unit for the cost thereof. Such cost shall be a personal obligation of the Owner and a lien against the Owner's Unit. The Owners and Occupants shall have a duty to promptly notify the Association of defects in or damage to those parts of the Property which the Association is obligated to maintain.

9.4 Damage Caused by Owner. Notwithstanding any provision to the contrary in this Section, if, in the judgment of the Association, the need for maintenance of any part of the Property is caused by the willful or negligent act or omission of an Owner or Occupant, or his or her guests, or by a condition in a Unit which the Owner or Occupant has willfully or negligently allowed to exist, the Association may cause such damage or condition to be repaired or corrected (and enter the yard area of upon any Unit to do so), and the cost thereof may be charged and assessed against the

Unit of the Owner responsible for the damage. Such cost shall be a personal obligation of the Owner and a lien against the Owner's Unit. In the case of party walls between Dwellings, the Owners of the affected Dwellings shall be liable as provided in Section 10.

SECTION 10

PARTY WALLS

10.1 General Rules of Law to Apply. Each wall built as part of the original construction of Dwellings and located on the boundary line between Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligent or willful acts or omissions shall apply thereto.

10.2 Repair and Maintenance. The Owners of the Units which share the party wall shall be responsible for the maintenance, repair and replacement of party wall in equal proportions; provided, (i) that any maintenance, repair or replacement necessary due to the acts or omissions of a certain Owner or Occupant sharing such party wall shall be paid for by such Owner, and (ii) that the Association may contract for and supervise the repair of damage caused by an Owner or Occupant and assess the Owners for their respective shares of the cost to the extent not covered by insurance. Such cost shall be a personal obligation of the Owner and a lien against the Owner's Unit(s).

10.3 Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has use of the party wall may, with the consent of the Association, restore it, and the other Owner shall promptly reimburse the Owner who restored the wall for his or her share of the cost of restoration thereof; provided, however, that the cost of restoration resulting from destruction or other casualty resulting from the acts or omissions of certain Owners shall be the financial responsibility of such Owners, and the Association may assess the responsible Owners for their share of the costs, without prejudice to the right of an Owner to recover a larger contribution from the other Owner. Insurance claims shall be made promptly following any casualty.

10.4 Weatherproofing. Notwithstanding any other provision of this Section, any Owner who, by his or her negligent or willful act, causes a party wall to be exposed to the elements shall bear the whole cost of the repairs necessary for protection against such elements.

10.5 Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the Unit and shall pass to such Owner's assigns and successors in title.

10.6 Arbitration. In the event of any dispute arising concerning a party wall, and if the same is not resolved within thirty days of the event causing the dispute, the matter shall be submitted to binding arbitration under the rules of the American Arbitration Association (or such other rules as the parties may agree), upon the written demand of the Association or any Owner whose Dwelling shares the party wall. A single arbitrator shall be used unless multiple arbitrators are agreed to by the parties. Upon request, the Association may, at its option, be made a party to the arbitration, but cannot be compelled to be a party. Each party agrees that the decision of the arbitrators shall be final

and conclusive of the questions involved. The fees of the arbitrators shall be shared equally by the parties, but each party shall pay its own attorneys' fees or other costs incurred in the arbitration.

SECTION 11

INSURANCE

11.1 Required Coverage. The Association shall obtain and maintain, at a minimum, a master policy or policies of insurance in accordance with the insurance requirements set forth in the Act and the additional requirements set forth herein, issued by a reputable insurance company or companies authorized to do business in the state of Minnesota, as follows:

11.1.1 Property insurance in broad form covering all risks of physical loss in an amount equal to one hundred percent of the insurable "replacement cost" of the Property, exclusive of: (i) deductibles; (ii) land, footings, excavation and other items normally excluded from coverage (but including all building service equipment and machinery); and (iii) improvements and betterments referred to in Section 515B.3-113(b)(i) through (vii) of the Act if authorized by the Board. The policy or policies shall cover personal property owned by the Association. The policy or policies shall also contain "Inflation Guard" and "Agreed Amount" endorsements, if reasonably available. Such policy or policies shall include such additional endorsements, coverages and limits with respect to the foregoing and other hazards as may be required from time to time by the regulations of the Federal National Mortgage Association ("FNMA"), the Federal Housing Administration ("FHA") or the Secretary of Veterans Affairs ("VA"), if required by one of such agencies as a precondition to their purchase, financing, insuring or guarantee of a mortgage on a Unit. The Board may also, on behalf of the Association, enter into binding written agreements with a mortgagee, or insurer, guarantor, or servicer of a mortgage, obligating the Association to keep certain specified coverages or endorsements in effect.

11.1.2 Comprehensive public liability insurance covering the use, operation and maintenance of the Common Elements, with minimum limits of One Million Dollars per occurrence, against claims for death, bodily injury and property damage, and such other risks as are customarily covered by such policies for projects similar in construction, location and use to the Property. The policy shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner or Occupant because of negligent acts of the Association or other Owners or Occupants. The policy shall include additional endorsements, coverages and limits necessary to comply with the regulations of the FNMA, the FHA or VA, if required by one of such agencies as a precondition to the purchase, financing, insuring or guarantee of a mortgage on a Unit.

11.1.3 Fidelity bond or insurance coverage against dishonest acts on the part of directors, officers, managers, trustees, employees or persons responsible for handling funds belonging to or administered by the Association, if deemed to be advisable by the Board or required by the regulations of any financing-related institution as a precondition to the purchase, insuring, guarantee, or financing of a mortgage on a Unit. The fidelity bond or insurance shall name the Association as the named insured, and shall comply with the regulations of the FNMA, the FHA or VA, if required by one of such agencies as a

precondition to the purchase, financing, insuring, or guarantee of a mortgage on a Unit. An appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers, or a waiver of defense based upon the exclusion of persons serving without compensation shall be added.

11.1.4 Workers' Compensation insurance as applicable and required by law.

11.1.5 Directors and officers liability insurance with such reasonable limits and coverages as the Board shall determine from time to time.

11.1.6 Such other insurance as the Board may determine from time to time to be in the best interests of the Association and the Owners.

11.2 Premiums; Improvements; Deductibles. Except as provided in Section 6.4, all insurance premiums shall be assessed and paid as an Annual Assessment. If improvements and betterments to the Units are covered, any increased cost may be assessed against the Units affected. The Association may, in the case of a claim for damage to a Unit or Units, (i) pay the deductible amount as a Common Expense, (ii) assess the deductible amount against the Units affected in any reasonable manner, or (iii) require the Owners of the Units affected to pay the deductible amount directly. The Association's decision as to who shall be charged with paying the deductible amount may, but need not, be based on fault.

11.3 Loss Payee; Insurance Trustee. All insurance coverage maintained by the Association shall be written in the name of, and the proceeds thereof shall be payable to, the Association (or a qualified insurance trustee selected by it) as trustee for the benefit of the Owners and secured parties, including Eligible Mortgagees, which suffer loss. The Association, or any insurance trustee selected by it, shall have exclusive authority to negotiate, settle and collect upon any claims or losses under any insurance policy maintained by the Association.

11.4 Required Policy Provisions. All policies of property insurance carried by the Association shall provide that:

11.4.1 Each Owner and secured party is an insured Person under the policy with respect to liability arising out of the Owner's interest in the Common Elements or membership in the Association.

11.4.2 The insurer waives its right to subrogation under the policy against any Owner or member of the Owner's household and against the Association and members of the Board.

11.4.3 The coverage shall not be voided by or conditioned upon (i) any act or omission of an Owner or Eligible Mortgagee, unless acting within the scope of authority on behalf of the Association, or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Property over which the Association has no control.

11.4.4 If at the time of a loss under the policy there is other insurance in the name of an Owner covering the same property covered by the policy, the Association's policy is primary.

11.5 Cancellation; Notice of Loss. Property insurance and comprehensive liability insurance policies maintained by the Association shall provide that the policies shall not be canceled or substantially modified, for any reason, without at least thirty days prior written notice to the Association and to all secured parties holding first mortgages on Units.

11.6 Restoration in Lieu of Cash Settlement. Property insurance policies maintained by the Association shall provide that, despite any provisions giving the insurer the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable (i) without the prior written approval of the Association (or any insurance trustee) or (ii) when in conflict with provisions of any insurance trust agreement to which the Association may be a party, or any requirement of law.

11.7 Owner's Personal Insurance. Each Owner shall obtain additional personal insurance coverage (commonly known as "gap coverage" or an "HO6" policy) at his or her own expense covering fire and other casualty to the interior of the Unit, personal property and the Owner's personal liability. Insurance policies maintained by Owners are without contribution as against the insurance purchased by the Association, except as to deductible amounts or other items not covered under the Association's policies.

SECTION 12

RECONSTRUCTION, CONDEMNATION AND EMINENT DOMAIN

12.1 Reconstruction. The obligations and procedures for the repair, reconstruction or disposition of the Property following damage or destruction thereof shall be governed by the Act. Any repair or reconstruction shall be substantially in accordance with the plans and specifications of the Property as initially constructed and subsequently improved. Notice of substantial damage or destruction shall be given as provided in Section 16.10.

12.2 Condemnation and Eminent Domain. In the event of a taking of any part of the Property by condemnation or eminent domain, the provisions of the Act shall govern; provided, (i) that notice shall be given as provided in Section 16.10, (ii) that the Association shall be the attorney-in-fact to represent the Owners in any related proceedings, negotiations, settlements or agreements and (iii) that any awards or proceeds shall be payable to the Association for the benefit of the Owners and the mortgagees of their Units. Eligible Mortgagees shall be entitled to priority for condemnation awards in accordance with the priorities established by the Act and the Governing Documents, as their interests may appear.

12.3 Termination and Liquidation. The termination of the common interest community, and the distribution of any proceeds therefrom, shall be governed by the Act. Any distribution of funds shall be based upon the value of the Units as determined by their relative value for property insurance purposes, and shall be made to Owners and their mortgage holders, as their interests may appear, as provided in the Act.

12.4 Notice. The Association shall give written notice of any condemnation proceedings or substantial destruction of the Property to the Eligible Mortgagees entitled to notice under Section 16.10.

12.5 Association's Authority. In all cases involving reconstruction, condemnation, eminent domain, termination or liquidation of the common interest community, the Association shall have authority to act on behalf of the Owners in all proceedings, negotiations and settlement of claims. All proceeds shall be payable to the Association to hold and distribute for the benefit of the Owners and their mortgage holders, as their interests may appear, in accordance with the Act.

SECTION 13

EASEMENTS

13.1 Easement for Encroachments. Each Unit and the Common Elements, and the rights of the Owners and Occupants therein, shall be subject to an exclusive easement for encroachments in favor of the adjoining Units for fireplaces, walls, roof overhangs, air conditioning systems, decks, balconies, porches, patios, utility installations and other appurtenances (i) which are part of the original construction of the adjoining Unit or the Property or (ii) which are added in compliance with Section 8. If there is an encroachment by a Dwelling, or other building or improvement located on a Unit, upon another Unit or Dwelling as a result of the construction, reconstruction, repair, shifting, settlement or movement of any part of the Property, an appurtenant easement for the encroachment, for the use, enjoyment and habitation of any encroaching Dwelling, building or improvement, and for the maintenance thereof, shall exist; provided, that with respect to improvements or alterations added pursuant to Section 8, no easement shall exist unless the same has been approved and the proposed improvements constructed, as required by this Declaration. Such easements shall continue for as long as the encroachment exists and shall not affect the marketability of title.

13.2 Easement for Maintenance, Repair, Replacement and Reconstruction. Each Unit, and the rights of the Owners and Occupants thereof, shall be subject to the rights of the Association to an exclusive, appurtenant easement on and over the Units for the purposes of maintenance, repair, replacement and reconstruction of the Dwellings and other improvements located within the Units, and utilities serving the Units, to the extent necessary to fulfill the Association's obligations under the Governing Documents.

13.3 Utility Easements. The Property shall be subject to non-exclusive, appurtenant easements in favor of all public utility companies and other utility providers for the installation, use, maintenance, repair and replacement of all utilities, such as natural gas, electricity, cable TV and other electronic communications, water, sewer, wells, and similar services, and metering and control devices, which exist or are constructed as part of the development of the Property or the Additional Real Estate, or which are referred to in the Plat or otherwise described in this Declaration or other recorded instruments. Each Unit, and the rights of the Owners and Occupants thereof, shall also be subject to a non-exclusive, appurtenant easement in favor of the other Units for all such utilities and services. Utilities and related services or systems shall be installed, used, maintained and repaired so as not to interfere with the use and quiet enjoyment of the Units by the Owners and Occupants, nor affect the structural or architectural integrity of the Units or Dwellings.

13.4 Emergency Access to Units. In case of emergency, all Units and Limited Common Elements are subject to an easement in favor of the Association for access, without notice and at any time, by an officer or member of the Board, by the Association's management agents or by any public safety personnel. The Board may require that an Owner or Occupant leave keys to the Unit with

another Owner of his or her choice and to advise the manager or Board of the location(s) of the keys, so as to allow access for emergencies when the Owner or Occupant is absent for extended periods.

13.5 Project Sign Easements. Declarant shall have the right to erect and maintain monument signs identifying the common interest community and related decorative improvements on the Common Elements. Those parts of the Property on which monument signs or related decorative improvements are located shall be subject to appurtenant, exclusive easements in favor of the Association for the continuing use, maintenance, repair and replacement of said signs and improvements. In exercising its rights under said easements, the Association shall take reasonable care to avoid damaging the improvements to the Property and shall repair any damage caused by such actions.

13.6 Roadway Access Easements. The Common Elements shall be subject to an appurtenant easement for roadway access in favor of the owners and occupants of any part of the Additional Real Estate which is not added to the Property, and which Declarant has no further right to add to the Property, over those parts of the Common Elements which are paved and dedicated to use as connecting streets.

13.7 Recreational Easement. A portion of the Common Elements shall be subject to a non-exclusive easement for recreational use and enjoyment as a pedestrian trail for the benefit of the living units, and the owners thereof, in Carla De Fourth Townhomes. Carla De Fourth Townhomes is the planned community located directly to the south of Carla De Fifth Townhomes. The Declaration of Easements establishing and describing said easement is recorded in the office of the County Recorder in and for Anoka County, Minnesota as Document No. 1555334

13.8 Reservation of Easements. Declarant hereby reserves the right, in the event that a portion of the Additional Real Estate is not added to the common interest community (whether due to lapse of time or otherwise) to exercise the following rights and create the following perpetual, non-exclusive easements appurtenant to the Additional Real Estate over, upon, and under portions of the Common Elements, all in accordance with the following authority and conditions:

13.8.1 To connect any improvements constructed on the Additional Real Estate which is not added to the Property (hereinafter referred to as the "Excluded Parcel") to any natural gas, storm sewer, sanitary sewer, electrical, telephone or other utility line, cable TV or other electronic communication lines, pipe, wire or other facilities which are or may be located within or serve the Property; and the right to install, maintain and utilize, such lines, pipes, wires or other facilities.

13.8.2 To do such other acts as are necessary in order to connect into and/or to utilize such utility facilities to serve any improvement constructed or to be constructed on the Excluded Parcel; provided, however, that the owner or owners of the Excluded Parcel benefitted by any reserved easements shall be responsible for the restoration of any damage done in connection with or use of such easements.

13.8.3 To create and have non-exclusive easements for the purposes of: (i) affording the Excluded Parcel and any improvements constructed or to be constructed thereon with access to and from a public road; (ii) installing, repairing and maintaining any streets, roads,

or rights-of-way on which the easements hereby reserved may be located; and (iii) performing such other acts as are necessary in order to afford any improvement constructed or to be constructed on the Excluded Parcel with access to a public road. Declarant, its successors or assigns, as the owner or owners of the Excluded Parcel, shall be responsible for the restoration of any part of the Property which is disturbed in connection with the use of such easements. The location of the easements shall, to the extent practicable, be limited to the location of the streets, roads, easement areas and rights-of-way existing within the Common Elements at the time or times that said easements are created.

13.8.4 The reserved easements may be created from time to time as required to provide the necessary access and utility services to the Property and any Excluded Parcel. As evidence of the creation of one or more of the reserved easements, the then owner or owners of the Excluded Parcel for whose benefit the easement is created shall execute and cause to be recorded an instrument establishing the easement, and setting forth a description of the easements created and a description of the Excluded Parcel benefitted by the easements. No consent or joinder of the Association or any Owner or any mortgagee or other secured party in any Unit or the Excluded Parcel, nor any release therefrom, shall be required to create the easements. In addition, the owner of the Excluded Parcel or of a platted lot within the Excluded Parcel may at any time waive or terminate its easement rights by the execution and recording of an instrument specifying such waiver or termination, and without the necessity of any consent or joinder by the Association, any Owner, or any mortgagee or other secured party in any Unit or any part of the Excluded Parcel. Such waiver or termination shall not affect any obligations incurred by any owner of the Excluded Parcel arising out of its acts or omissions prior to such determination.

13.8.5 If the reserved easements are created, the Unit Owners and the owner of the Excluded Parcel benefitted by such easements shall, so long as the easements are in existence, share all expenses of maintaining, repairing and replacing the drives, streets, roads, easement areas or rights-of-way, and the utility lines, pipes, wires and other facilities to the extent that such expenses are not paid by the utility provider or governmental authority. The Association shall pay a portion of such expenses equal to a fraction, the numerator of which is the number of Units, and the denominator of which is the total number of Units plus the total number of dwellings, lots or other individual residential parcels within the Excluded Parcel benefitted by such easements. The balance of any such expenses shall be paid by the owner or owners of the Excluded Parcel benefitted by such easements. The portion of the expenses paid by the Association shall be a Common Expense. Notwithstanding the foregoing, if the Excluded Parcel benefitted by such easements is used for other than residential purposes, then such costs and expenses shall be apportioned to, and shared by the Owners and the owner or owners of, the Excluded Parcel based upon the relative usage of the easement area, and improvements located therein, by the owners and users of the respective parcels.

13.9 Scope and Non-Interference. Notwithstanding anything in this Declaration to the contrary, no Owner or Occupant shall be denied reasonable access to his or her Unit or the right to utility services thereto. The easements set forth in this Section 13 shall supplement and not limit any easements described elsewhere in this Declaration or recorded, and shall include reasonable access to the easement areas through the Units and the Common Elements for purposes of maintenance,

repair, replacement and reconstruction. All easement rights shall include a right of reasonable access to maintain, repair and replace the utility lines and related equipment.

SECTION 14

COMPLIANCE AND REMEDIES

Each Owner and Occupant, and any other Person owning or acquiring any interest in the Property, shall be governed by and comply with the provisions of the Act, the Governing Documents, the Rules and Regulations, and such amendments thereto as may be made from time to time, and the decisions of the Association. A failure to comply shall entitle the Association to the relief set forth in this Section, in addition to the rights and remedies authorized elsewhere by the Governing Documents and the Act.

14.1 Entitlement to Relief. The Association may commence legal action to recover sums due, for damages, for injunctive relief or to foreclose a lien owned by it, or any combination thereof, or an action for any other relief authorized by the Governing Documents or available at law or in equity. Legal relief may be sought by the Association against any Owner, or by an Owner against the Association or another Owner, to enforce compliance with the Governing Documents, the Rules and Regulations, the Act or the decisions of the Association. However, no Owner may withhold any Assessments payable to the Association, or take or omit other action in violation of the Governing Documents, the Rules and Regulations or the Act, as a measure to enforce such Owner's position, or for any other reason.

14.2 Remedies. In addition to any other remedies or sanctions, expressed or implied, administrative or legal, the Association shall have the right, but not the obligation, to implement any one or more of the following actions against Owners and Occupants and/or their guests, who violate the provisions of the Governing Documents, the Rules and Regulations or the Act:

14.2.1 Commence legal action for damages or equitable relief in any court of competent jurisdiction.

14.2.2 Impose late charges of up to the greater of twenty dollars, or fifteen percent of the amount past due, for each past due Assessment or installment thereof, and impose interest at the highest rate permitted by law accruing beginning on the first day of the month after the Assessment or installment was due.

14.2.3 In the event of default of more than thirty days in the payment of any Assessment or installment thereof, all remaining installments of Assessments assessed against the Unit owned by the defaulting Owner may be accelerated and shall then be payable in full if all delinquent Assessments or installments thereof, together with all attorneys' fees, costs of collection and late charges, are not paid in full prior to the effective date of the acceleration. Not less than ten days advance written notice of the effective date of the acceleration shall be given to the defaulting Owner.

14.2.4 Impose reasonable fines, penalties or charges for each violation of the Act, the Governing Documents or the Rules and Regulations.

14.2.5 Suspend the rights of any Owner or Occupant and their guests to use any Common Element amenities; provided, that the suspension of use rights shall not apply to Limited Common Elements, or deck, balcony, porch or patio easements, appurtenant to the Unit, and those portions of the Common Elements providing utilities service and access to the Unit. Such suspensions shall be limited to periods of default by such Owners and Occupants in their obligations under the Governing Documents, and for up to thirty days thereafter, for each violation.

14.2.6 Restore any portions of any Common Elements, Unit, or Limited Common Elements damaged or altered, or allowed to be damaged or altered, by any Owner or Occupant or their guests in violation of the Governing Documents, and to assess the cost of such restoration against the responsible Owners and their Units.

14.2.7 Enter any Unit or Limited Common Element in which, or as to which, a violation or breach of the Governing Documents exists which materially affects, or is likely to materially affect in the near future, the health or safety of the other Owners or Occupants, or their guests, or the safety or soundness of any Dwelling or other part of the Property or the property of the Owners or Occupants, and to summarily abate and remove, at the expense of the offending Owner or Occupant, any structure, thing or condition in the Unit or Limited Common Elements which is causing the violation; provided, that any improvements which are a part of a Dwelling may be altered or removed only pursuant to a court order or with the agreement of the Owner.

14.2.8 Foreclose any lien arising under the provisions of the Governing Documents or under law, in the manner provided by the Act.

14.3 Rights to Hearing. Before the imposition of any of the remedies authorized by Section 14.2.4, 14.2.5, 14.2.6 or 14.2.7, the Board shall, upon written request of the offender, grant to the offender an opportunity for a fair and equitable hearing as contemplated by the Act. The offender shall be given notice of the nature of the violation and the right to a hearing, and at least ten days within which to request a hearing. The hearing shall be scheduled by the Board and held within thirty days of receipt of the hearing request by the Board, and with at least ten days' prior written notice to the offender. If the offender fails to timely request a hearing or to appear at the hearing, then the right to a hearing shall be deemed waived and the Board may take such action as it deems appropriate. The decision of the Board and the rules for the conduct of hearings established by the Board shall be final and binding on all parties. The Board's decision shall be delivered in writing to the offender within ten days following the hearing, if not delivered to the offender at the hearing.

14.4 Lien for Assessments, Charges, Etc. Any Assessments, charges, fines, expenses, penalties or interest imposed under this Section shall be a lien against the Unit of the Owner or Occupant against whom the same are imposed and the personal obligation of such Owner in the same manner and with the same priority and effect as Assessments under Section 6. The lien shall attach as of the date of imposition of the remedy, but shall not be final as to violations for which a hearing is held until the Board makes a written decision at or following the hearing. All remedies shall be cumulative, and the exercise of, or failure to exercise, any remedy shall not be deemed a waiver of the Association's right to pursue any others.

14.5 Costs of Proceeding and Attorneys' Fees. With respect to any collection measures, or any measures or action, legal, administrative, or otherwise, which the Association takes to enforce the provisions of the Act, Governing Documents or Rules and Regulations, whether or not finally determined by a court or arbitrator, the Association may assess the Unit owned by the violator with any expenses incurred in connection with such enforcement, including without limitation fines or charges previously imposed by the Association, reasonable attorneys' fees, and interest (at the highest rate allowed by law) on the delinquent amounts owed to the Association. Such expenses shall also include any collection or contingency fees or costs charged to the Association by a collection agency or other Person acting on behalf of the Association in collecting any delinquent amounts owed to the Association by an Owner or Occupant. Such collection or contingency fees or costs shall be the personal obligation of the Owner and shall be a lien against the Owner's Unit.

14.6 Liability for Acts of Owners and Occupants. An Owner shall be liable for the expense of any maintenance, repair or replacement of the Property rendered necessary by such Owner's acts or omissions, or by that of Occupants or guests in the Owner's Unit, to the extent that such expense is not covered by the proceeds of insurance carried by the Association or such Owner or Occupant. However, any insurance deductible amount and/or increase in insurance rates, resulting from the Owner's acts or omissions may be assessed against the Owner responsible for the condition and against his or her Unit.

14.7 Enforcement by Owners. The provisions of this Section shall not limit or impair the independent rights of other Owners to enforce the provisions of the Governing Documents, the Rules and Regulations, and the Act as provided therein.

SECTION 15

AMENDMENTS

15.1 Approval Requirements. Except for amendments by Declarant pursuant to Section 18, this Declaration may be amended only by the approval of:

15.1.1 The Board.

15.1.2 Owners of Units to which are allocated at least sixty-seven percent of the total votes in the Association.

15.1.3 The percentage of Eligible Mortgagees (based upon one vote per Unit financed) required by Section 16 as to certain amendments referenced by said Section.

15.1.4 The VA or FHA, if either agency has approved the common interest community, but only as to the following matters and only as long as Declarant owns a Unit for sale:

15.1.4.1 The annexation of Additional Real Estate.

15.1.4.2 The merger or consolidation of the Association with another association or other legal entity.

15.1.4.3 The acquisition, dedication or mortgaging of Common Elements.

15.1.5 Declarant as to certain amendments as provided in Section 17.8.

15.2 **Procedures.** Approval of the Owners may be obtained in writing or at a meeting of the Association duly held in accordance with the Bylaws. Consents of Eligible Mortgagees, the VA, the FHA or Declarant, if required, shall be in writing. Any amendment shall be subject to any greater requirements imposed by the Act. The amendment shall be effective when recorded as provided in the Act. An affidavit by the Secretary of the Association as to the outcome of the vote, or the execution of the foregoing agreements or consents, shall be adequate evidence thereof for all purposes, including without limitation, the recording of the amendment.

SECTION 16

RIGHTS OF ELIGIBLE MORTGAGEES

Notwithstanding anything to the contrary in the Governing Documents, but subject to the Act or other laws, Eligible Mortgagees shall have the following rights and protections:

16.1 **Consent to Certain Amendments.** Subject to Declarant's rights under Section 18, the written consent of Eligible Mortgagees representing at least fifty-one percent of the Units that are subject to first mortgages held by Eligible Mortgagees (based upon one vote per Unit financed) shall be required for any amendment to the Governing Documents which causes any change in provisions including the following: (i) voting rights; (ii) increases in Assessments over twenty-five percent; (iii) Assessment liens, or priority of Assessment liens; (iv) reductions in reserves for maintenance, repair and replacement of Common Elements; (v) responsibility for maintenance and repairs; (vi) reallocation of interests in the Common Elements or Limited Common Elements, or rights to their use; (vii) redefinition of any Unit boundaries; (viii) convertibility of Units into Common Elements or vice versa; (ix) expansion or contraction of the Property or the addition, annexation or withdrawal of property to or from the Property; (x) hazard or fidelity insurance requirements; (xi) imposition of restrictions on the leasing of Units; (xii) imposition of any restrictions on an Owner's right to sell or transfer his or her Unit; (xiii) a decision by the Association (if the common interest community involves fifty or more Units) to establish self management when professional management is in effect as required previously by the Governing Documents or an Eligible Mortgagee; (xiv) restoration or repair of the Property (after a hazard damage or partial condemnation) in a manner other than that specified in the Governing Documents; (xv) any action to terminate the legal status of the common interest community after substantial destruction or condemnation occurs; or (xvi) any provisions that expressly benefit Eligible Mortgagees, or insurers or guarantors of mortgages.

16.2 Consent to Certain Actions. Subject to Declarant's rights under Section 18, the written consent of Eligible Mortgagees representing at least sixty-seven percent of the Units that are subject to first mortgages held by Eligible Mortgagees (based upon one vote per Unit financed) shall be required to (i) abandon or terminate the common interest community; (ii) change the allocations of voting rights, Common Expense obligations or interests in the Common Elements; (iii) partition or subdivide a Unit except as permitted by statute; (iv) abandon, partition, subdivide, encumber or sell any Common Elements; or (v) use hazard insurance proceeds for other than the repair, replacement or reconstruction of the Property, except as otherwise provided by law.

16.3 Consent to Subdivision. No Unit may be partitioned or subdivided without the prior written approval of the Owner and Eligible Mortgagee thereof, and the Association.

16.4 No Right of First Refusal. The right of an Owner to sell, transfer or otherwise convey his or her Unit shall not be subject to any right of first refusal or similar restrictions.

16.5 Priority of Lien. Any Person who comes into possession of a Unit by foreclosure of the first mortgage on a Unit, or by deed or assignment in lieu of foreclosure of the first mortgage on a Unit, takes the Unit free of any claims for unpaid Assessments or any other charges or liens imposed against the Unit by the Association which have accrued against such Unit prior to the acquisition of possession of the Unit by said Person; (i) except as provided in Section 6.10 and the Act and (ii) except that any unreimbursed Assessments or charges may be reallocated among all Units in accordance with their interests in the Common Elements.

16.6 Priority of Taxes and Other Charges. All taxes, Assessments and charges which may become liens prior to the first mortgage under state law shall relate only to the individual Units and not to the Property as a whole.

16.7 Priority for Condemnation Awards. No provision of the Governing Documents shall give an Owner, or any other party, priority over any rights of the Eligible Mortgagee of the Unit pursuant to its mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Unit and/or the Common Elements. The Association shall give written notice to all Eligible Mortgagees of any condemnation or eminent domain proceeding affecting the Property promptly upon receipt of notice from the condemning authority.

16.8 Requirements for Management Agreements. The term of any agreement for professional management of the Property may not exceed two years. Any such agreement must provide at a minimum for termination without penalty or termination fee by either party, (i) with cause upon thirty days prior written notice, and (ii) without cause upon ninety days prior written notice.

16.9 Access to Books and Records/Audit. Eligible Mortgagees shall have the right to examine the books and records of the Association upon reasonable notice during normal business hours, and to receive free of charge, upon written request, copies of the Association's annual reports and other financial statements. Financial statements, including those which are audited, shall be available within one hundred twenty days of the end of the Association's fiscal year. If the common interest community consists of fewer than fifty Units, FNMA, or any institutional guarantor or insurer of a mortgage loan against a Unit, may require that, at its own expense, an audit of the Association's financial statements be made for the preceding year, in which case the Association shall cooperate in having an audit made and a copy given to the requesting party. If the common

interest community consists of fifty or more Units, the Association shall provide the requested audit at its expense.

16.10 Notice Requirements. Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor of a mortgage on a Unit, and the Unit number or address, the holder, insurer or guarantor shall be entitled to timely written notice of:

16.10.1 a condemnation loss or any casualty loss which affects a material portion of the Property or the Unit securing the mortgage;

16.10.2 a sixty day delinquency in the payment of Assessments or charges owed by the Owner of a Unit on which it holds a mortgage;

16.10.3 a lapse, cancellation or material modification of any insurance policy maintained by the Association; and

16.10.4 a proposed action which requires the consent of a specified percentage of Eligible Mortgagees.

SECTION 17

SPECIAL DECLARANT RIGHTS

Declarant hereby reserves exclusive and unconditional authority to exercise the following special declarant rights within the meaning of Section 515B.1-103(32) of the Act for as long as it owns a Unit, or for such shorter period as may be specifically indicated:

17.1 Complete Improvements. To complete all the Units and other improvements indicated on the Plat, or otherwise included in Declarant's development plans or allowed by the Declaration, and to make alterations in the Units and Common Elements to accommodate the exercise of any special declarant rights.

17.7 Control of Association. To control the operation and administration of the Association, including without limitation the power to appoint and remove the members of the Board pursuant to Section 515B.3-103 of the Act, until the earliest of: (i) voluntary surrender of control by Declarant, (ii) an Association meeting which shall be held within sixty days after conveyance to Owners other than Declarant of seventy-five percent of the total number of Units authorized to be included in the Property or (iii) the date five years following the date of the first conveyance of a Unit to an Owner other than Declarant. Notwithstanding the foregoing, the Owners other than Declarant shall have the right to nominate and elect not less than thirty-three and one-third percent of the directors at a meeting of the Owners which shall be held within sixty days following the conveyance by Declarant of fifty percent of the total number of Units authorized to be included in the Property.

17.8 Consent to Certain Amendments. Until such time as Declarant no longer owns any Unit for initial sale, Declarant's written consent shall be required for any amendment to the Governing Documents or Rules and Regulations which directly or indirectly affects Declarant's rights under the Governing Documents or the Act.

SECTION 18

RIGHTS TO ADD ADDITIONAL REAL ESTATE

Declarant hereby expressly reserves the right to add the Additional Real Estate to the Property, by unilaterally executing and recording an amendment to this Declaration pursuant to Section 515B.2-111 of the Act, subject to the following conditions:

18.1 The right of Declarant to add the Additional Real Estate to the common interest community shall terminate ten years after the date of recording of this Declaration or upon earlier express written withdrawal of such right by Declarant or a successor Declarant, unless extended by a vote of the Owners pursuant to Section 515B.2-106(2) of the Act. There are no other limitations on Declarant's rights hereunder, except as may be imposed by law.

18.2 The Additional Real Estate is described in Exhibit C attached hereto. The Additional Real Estate may be added to the Property in parcels consisting of one or more platted lots, or portions thereof.

18.3 There are no assurances as to the times at which any part of the Additional Real Estate will be added to the Property, the order in which it will be added, the number of parcels per phase nor the size of the parcels. Declarant has no obligation to add the Additional Real Estate to the Property. The Additional Real Estate may be developed by Declarant or its successors in interest for other purposes, subject only to approval by the appropriate governmental authorities.

18.4 The maximum number of Units that may be created within the Additional Real Estate described as such on the date of this Declaration is twenty. All Units created on the Additional Real Estate shall be restricted exclusively to residential use.

18.5 Any Units, Dwellings and other structures created upon the Additional Real Estate shall be compatible with the other Units, Dwellings and other structures which are part of the Property in terms of architectural style, quality of construction, principal materials employed in construction and size; subject (i) to any changes required by governmental authorities or lenders and (ii) to any interior and exterior changes made by Declarant to meet changes in the market.

18.6 All covenants and restrictions contained in this Declaration affecting the use, occupancy and alienation of Units shall apply to all Units created on the Additional Real Estate.

The statements made in this Section 18 shall not apply to any Additional Real Estate which is not added to the Property.

SECTION 19

MISCELLANEOUS

19.1 Severability. If any term, covenant, or provision of this instrument or any exhibit attached hereto is held to be invalid or unenforceable for any reason whatsoever, such determination shall not be deemed to alter, affect or impair in any manner whatsoever any other portion of this Declaration or exhibits attached hereto.

19.3 Tender of Claims. In the event that any incident occurs which could reasonably give rise to a demand by the Association against Declarant for indemnification pursuant to the Act, the Association shall promptly tender the defense of the action to its insurance carrier, and give Declarant (i) written notice of such tender, (ii) written notice of the specific nature of the action, and (iii) an opportunity to defend against the action.

19.4 Notices. Unless specifically provided otherwise in the Governing Documents or the Act, all notices required to be given by or to the Association, the Board, the Association officers, or the Owners or Occupants shall be in writing and shall be effective upon hand delivery, or mailing if properly addressed with postage prepaid and deposited in the United States mail; except that registrations pursuant to Section 2.2 of the Bylaws shall be effective upon receipt by the Association.
